ACKNOWLEDGEMENTS

“In the name of Allah” who is the lord, master, designer, director of my heart, soul and mind, the most Beneficent and the most merciful.

Foremost I would like to thank the almighty Allah for his blessing in the accomplishment of this work. All my success in the task can come only from him, in him. I trust and unto Him I turn.

It gives me an immense pleasure and pride to express my deep sense of gratitude and respect for my teacher and mentor Prof. M. Sarwar Alam, Head, Department of chemistry, Jamia Hamdard for his evergreen expertise and inspiring guidance throughout the period of my work. I am indebted to him for enlightening me on the finer skills of research problems. He is the one behind giving me a decisive turn and significant boost to my career. I consider myself one of the fortunate people to be associated with him.

I am grateful to Dr. M. Shahar Yar, my co-supervisor Department of Pharmaceutical chemistry, Jamia Hamdard, for his invaluable support and guidance. His knowledge and teaching played an integral part in nurturing me as an organic chemist.

I am obliged to have the opportunity to express my extended regards to my co-supervisor, Dr. Hina Hamid, Department of chemistry, Jamia Hamdard, for her valuable guidance and encouragement throughout my work.

I am highly thankful to Dr. Kalim Javed and Dr. M. Samim, for their support and cooperation all throughout my research work.

I pay my heartfelt thanks to Dr. Syed Shafi for his precious suggestions, guidance and moral boosting discussion and support.

I am extremely thankful to Dr. Shakir Ali, Incharge, Central Animal House and all the staff members of the Animal House, Prof. (Mrs.) P. K. Pillai, Head, Department of Microbiology, for their cooperation and help.
I express my thanks to staff members of Central Instrumentation facility, Faculty of Science, Dr. S.D. Sharma and Mr. Irshad for their help in using instrumentation facility.

I convey my heartful thanks to IIT, New Delhi, CDRI, Lucknow and IIIM, Jammu for recording the spectra. I am thankful to NISCAIR, Delhi University Library, Central Library and faculty of science library, Jamia Hamdard, for their cooperation in literature search.

It gives me an immense pleasure and pride to express my gratitude to all my teachers throughout my educational life who have shaped my life towards success at my earlier studies.

The friendship and support of my M.Sc class mates particularly Mr. Zameer Ahmad, Mr. Kumar Krishnanad, Mr. B. K. Khuntia, Mr. Abul Kalam Azad, and Ms. Sameen Akhter are cherished.

It gives me a great pleasure to express my gratitude to my seniors Dr. Sameena Bano, Dr. Irshad Ahmad lone, Dr. I. G. Rathish, Dr. Shamim Ahmad, Dr. Sandeep Choudhary, Dr. Rafia Bashir and Dr. Rizwan Ahmad Ansari for their valuable suggestions.

I consider myself to be richly blessed as I mention the support of my colleagues, Ms. Syed Nazreen, Mr. Saqlain Haider, Ms. Fauzia Mir, Mr. Yakub Ali, Mr. Imran Khan, Mrs. Chetna Kharbanda, Mrs. Roopali Agrwal, Mr. Mushtaq Ahmad Tantray, Mr. Raghav, Ms. Shafiya Yaseen, Mr. Ashraf Ghanie, Mr. Ovais, and Ms. Pooja for their moral support and encouragement.

I express my thanks to non teaching staff members of Department of chemistry, Mrs. Nuzhat Baig, Mr. Mohd. Israel, Mr. Abdul Rahman, Mr. Jamaluddin, Mr. Ilyas for their consistent cooperation and help during my research work.

It is my fortune to gratefully acknowledge late Janab AlHaj Dr. M. Anwar Alam whose best wishes let to the completion of this work. I am indebted to Sufiya mam,
Tanweer bhai and Anzar bhai for their encouragement during my research work. Sania and Sumbul deserve special mention here for their constant love and support.

Diction is not enough to express my gratitude to my beloved parents Janab AlHaj Mohammad Daud and Mrs. Fareeda Khatoon who sincerely raised me with their love and supported me in all my pursuits and whose selfless love, constant encouragement, sincere prayers, expectations and blessings has always been the most vital source of inspiration and motivation in my life.

I also express my heartfelt reverence to my brother Mr. Saud Alam, whose love and encouragement that bolstered me, enabling to successfully attain this milestone. There is no substitute for the love and affection bestowed on me by him which gave me a sense of relief after hours of tedious work during my research.

I invariably fall short of words to express my heartfelt gratitude to my brothers, sisters, sister in law, nephews and niece Mumtaz, Shahida, Masood, Abdul Mabood bhai, Masood bhai, Fazle bhai, Salim bhai, Noorullah, Samiullah, Tasnim, Saquib, Adiba. It is impossible to have my research career without the love, affection, devotion, patience and support of my family members and relatives.

Lastly, I wish to express my greatful thanks to all my teachers from my schooling days onwards and well wishers who have directly or indirectly helped me to reach up to this level in my life. I would also like to greatfully acknowledge the support of some very special individuals. They helped me immensely by giving me encouragement and friendship. I would like to thank everybody as well as expressing my apology that I could not mention personally one by one.

Financial support from HNF and MANF (UGC), New Delhi, in the form of fellowship is gratefully acknowledged.

New Delhi
(Md. Mahboob Alam)
