ACKNOWLEDGEMENTS

In recognition of your diligent efforts in guidance and support through all the years of my studies, for understanding the significance of following my dreams, for showing me the right way in times when no path seemed possible, for standing next to me in vital moments of my life that shaped me, I will be forever grateful to Dr. Babu Anto. P

With lots of love, I sincerely thank you!

I am extremely thankful to Prof. Dr. N.K Narayanan, Professor, School of Information Science and Technology for his help and valuable suggestions and Dr G. Raju Head of the Department of Information Technology, for clearing my doubts and providing necessary research facilities.

I thank Prof. (Dr.) T. Thrivikraman, Professor Emeritus, Department of Mathematics and Sri. Madhusoodanan, Course Director, Department of Mathematical Sciences for their valuable suggestions and help in understanding the Mathematics behind the study.

I am indebted to Mr. Rajkumar K.K., Assistant Professor Department of Information Technology and Miss. Geena K.P. Research Scholar for their valuable help in understanding many concepts.

My special thanks are due to Mr. Priyesh K. Nambiar, Mr. Prajulkrishna P. R. and Mr. D. Mohandas for their wholehearted cooperation and support.

Finally, I thank Tasha who is always there, whenever I needed and to my sister for believing in me and for making my time brighter.
