ACKNOWLEDGEMENTS
Adequate words are in want to express my overwhelming debt of gratitude to all those, who assisted me directly or indirectly with time, information, inspiration and blessings but space does not permit me to name all of them, however, I am certainly indebted to them sincerely.

It gives me immense pleasure to express my sincere thanks and deepest indebtedness to my esteemed Supervisor Dr. D.C. Gautam, Assistant Professor, Department of Bio-Sciences, Himachal Pradesh University, Shimla-5. His enduring guidance, vigilant supervision, consistent encouragement and endless sense of involvement throughout the present investigation enabled me to accomplish this research work.

I gratefully acknowledge with gratitude and thank Prof. V.K. Rai, Prof. R.K. Malhotra and Prof. T.N. Lakhanpal for providing me laboratory facilities to carry out my research work in their capacities as Chairman of the Department of Bio-Sciences, Himachal Pradesh University, Shimla-5.

Sincerest and heartiest thanks are due to Dr. O.P. Lal, Head of the Department of Entomology, I.A.R.I. and Dr. Y.N.S. Shrivastva, Senior Entomologist, Division of Entomology, I.A.R.I. New Delhi, for their help in identification/authentication of the grasshopper species.

Special mention is merited to acknowledge with gratitude the kindness of Dr. J.S. Yadav, Department of Zoology, Kurukshetra University and Dr. A.S. Yadav, Lecturer, College of Basic Sciences, Kurukshetra University, Kurukshetra whose valuable guidance, encouragement and wholehearted co-operation throughout the course of investigations enabled me to complete my work successfully.

I owe more than a word of thanks from the core of my heart to my everdearest friends Maninder Jeet Kaur and Leena for their unremitting encouragement, inspiration, moral support and help in multitudes of ways throughout this period. I gratefully acknowledge my feelings of gratitude and owe my sincere thanks for my other friends Jayanti, Suman, Pushpa, Sonal and my niece Seema for their kind co-operation and ever-ready support in various ways. I also express my thanks to Dr. Lal Singh, Mr. Kuljeet Singh and Mr. Anurag for rendering their help during the present course of work.

Over and above all, I pay my gratitude to my respected parents and my loving sister Tanu and brother Tanuj whose affectionate encouragement and sacrifice were the main sources of sustained inspiration to me during my research work.

The financial assistance given by H.P.U. in the form of Senior Research Fellowship is gratefully acknowledged.
