1.5.2. Building, Construction & Real Estate

1.5.3. Automobile Sector

1.5.4. IT Sector

1.5.5. Food Processing Industry

1.5.6. Retail Sector

1.6. Conclusion

Chapter II: Review of Literature & Research Methodology

2. Introduction

2.1. Review of Literature

2.1.1. Socio Economic & Political Dynamics

2.1.2. External Environmental Factors

2.2. Research Methodology

2.2.1. Research Gap

2.2.2. Research Objective

2.2.3. Scope of the Research Study

2.2.4. Exploratory Research

2.2.5. Quantitative Research

2.2.6. Type of Data

2.2.7. Selection of Study Area

2.2.8. List of MSME units covered in both districts for the study

2.2.9. Selection of Sample Size

2.2.10. Sampling Plan
Chapter III: Profile of the Khurda and Malkangiri District

3. Introduction
   3.1. Agriculture Sector
   3.2. Industrial Sector
   3.3. Service Sector
   3.4. Infrastructure
   3.5. Employment
   3.6. Industrial Sector & MSME
   3.7. Odisha Industrial Policy Resolution
   3.8. About Khurda District
      3.8.1. Industrial Profile of Khurda District
   3.9. About Malkangiri District
      3.9.1. Industrial Profile of Malkangiri District
   3.10. Conclusion

Chapter IV: Comparative Analysis of Data

4. Introduction
   4.1. General Variables Associated with MSME Sector
   4.2. Factors Affecting Skill Deficiencies in the Study Districts

Chapter V: Findings, Recommendations & Conclusion

5. Introduction
   5.1. General Findings
   5.2. Findings related to skill deficiency due to socio economic & Political dynamics
   5.3. Findings related to skill deficiency due to lack of awareness about external business environmental factors
