ACKNOWLEDGMENT

I am sincerely acknowledging to the following for their valuable help during my research work:

1. My research supervisor Prof. R. V. Jayaram for his constant support advice, supervision and crucial contribution towards this research work.
2. Prof. G. D. Yadav (Vice Chancellor, ICT, Mumbai) for providing all the facilities to work.
3. SAIF, Indian Institute of Technology Bombay, MUMBAI for providing Instrumental facility for analysis.
4. Council of Scientific and Industrial Research, India, for providing financial assistance.
5. All my lab mates and friends.

Sandip R. Kale
