

## LIST OF PUBLICATIONS

01. Spectrophotometric determination of RFB and ADCA using MB and MV  
**Asian Journal of Chemistry** (Communicated)
02. Extractive spectrophotometric determination of RFB, ADCA information using CAT and GC.  
**J.Ind.Chem.Soc** (Communicated)
03. Spectrophotometric determination ADCA using Citric acid and Acetic anhydride.  
**Ind. Council of Chemists.** (Communicated)
04. Spectrophotometric methods for the determination of RFB, CPTB using Iodine, Metol and Sulphanilic acid  
**Chemia, Analytizna** (Warsaw). (Communicated)
05. Determination of AZA and its formulations using Safranin O, MB and MV  
**Indian Drugs.** (Communicated).
