ACKNOWLEDGEMENTS

The satisfaction and emporia that accompany the successful completion of my task would be incomplete without the mention of people who made it possible because, success is an epitome of hardwork and prservance but steadfast of all in encouraging guidance and encouragement served me as a “Deacon Light” and crowded out effort with success.

At the outset I render my thanks to the ALMIGHTY GOD thus divine grace and blessings showered on me and thereby giving the strength and courage to complete my thesis work successfully.

My heartfelt thanks are due to my esteemed guide and supervisor Dr N M Ganesan, Professor (Retd), Department of Commerce (DDE), Madurai Kamaraj University, who has aided, guided, criticised, and instructed in my carrying out this research study. In spite of his tight schedule he has guided me by all means throughout the research study. He grappled me with hooks of friendliness and made me get the right sprit for completing this work.

My profound thanks are due to out principal Dr S Gowsalya and the Management of N M S Sermathai Vasan College for Women, Madurai for providing necessary facility and for their kind hearted support to complete this work fulfill.
I am highly indebted to Mr U Natarajan, Superintendent, Directorate of Distance Education, Madurai Kamaraj University, Madurai, for the invaluable assistance and their useful comments at every stage of my research work.

My special thanks are due to Dr M Alexpandi, Teaching Assistant in Commerce, Madurai Kamaraj University College, Madurai for his valuable suggestions and moral support extended for completing this endeavour.

I am thankful to Mr R Srinivasan for his valuable suggestions in respect of the presentation aspect of this research work.

I wish to record my profound thanks to my friends Mrs M Valliammal, Vice-Principal Head of the Department of Mathematics, Mrs N S Minimala, Head of the Department of Physics and Mrs K Pandiselvi, N M S Sermathai Vasan College for Women, Madurai for providing me essential inspiration and moral support for carrying out the task successfully.

I also express my gratitude to Mr Laser Bala, M/s Sri Balaji Laser Printing, Madurai 19, who had put their mind and heart to design the whole thesis.

I record my sincere thanks to all the staff and members and students for their kind co-operation and all others who have directly and indirectly helped me for the successful completion this work.
I sincerely thank the distinguished authors and writers of the different books, journals, magazines and research papers, which I had referred to for completing my research work.

I owe my gratitude to my cousin Mr P S Pandiayan, my Family Members and Relatives one who give their encouragement and insipiration in preparing this thesis work completely.

Last but not the least, this acknowledgement would not be complete without expressing my whole hearted thanks to my beloved mother Mrs J Meenakshi who motivated me during the period of the study and for her inspiration, moral support and constant support throughout this course completion.
