ACKNOWLEDGEMENT

It is a moment of joy of express my gratitude and bestow thanks on each and everyone for their boundless encouragement, support and assistance.

With immense pleasure, I record my bowful gratitude and thanks to my inspiring, source of strength my dear guide. I am in loss of words to express my profound thanks and gratefulness to that great Ikon. My guide Dr. V. Soundararajan, Professor and Head, Department of Mechanical Engineering, Pondicherry Engineering College, Pondicherry for his inspiring guidance, indefatigable help, constant encouragement during the entire tenure of my PhD programme. Without which it would have not been possible to complete this research successfully.

I am greatly indebted to Dr. S. Subramanian, Professor and Head, Department of Chemistry and Dr. B. Palanivel, Assistant Professor, Department of Physics, Pondicherry Engineering College, Pondicherry for their support, suggestion and attention rendered throughout the course of my research.

I pay my sincere thanks to Professor Dr. T. G. Palanivelu, Principal, Pondicherry Engineering College, Pondicherry for his invaluable suggestions and non-stop encouragement.

I convey my warm thanks to Mr. D. Sundar, Deputy General Manager (Operation), Mr. B. Natarajan, Assistant Manager (Manufacturing), Rane (Madras) Pvt. Ltd., Thirubhuvanai, Pondicherry and Dr. T. Jayakumar, Head, Non Destructive testing section, Dr. M. Vijayalakshmi, Head, PMS, Dr. G. Vaidyanathan, Dr. G. Parameswaran, Dr. B. Saroja, Mr. G. Senthilkumaran, Scientific Officers, IGCAR, Kalpakkam and Mr. A. S. Amurudheen Works Manager, TLT works, Mr. S. Chandrasekar, Assistant Superintendent, Quality Control and Inspection ECC division, L&T Pvt. Ltd., Sedurapet, Pondicherry. Mr. N. Natarajan, Director Bangalore Analytical Research Centre Pvt. Ltd., Bangalore for providing the infrastructure needed for the research.
My special thanks to Mr. P.T. Radhakrishnan, Senior Manager (OPEX), and Mr. K.Balakrishnen, Engineer (Design), Whirlpool (India) Ltd., Thirubhuvanai, Pondicherry, for their great efforts taken in assisting my work.

My sincere thanks to Dr. V.S.K.Venkatachalapathy, Principal, Sri Manakula Vinayagar College of Engineering, for his expertise suggestions and assistance.

Thanks, is just not enough to express my gratitude towards Mr. N.Alagumurthi, Assistant Professor, Department of Mechanical Engineering, Pondicherry Engineering College, Pondicherry, because he has been the source of motivation and strength behind the entire work of this programme.

My profound sense of gratitude to my department colleagues for their splendid support and substantial co-operation rendered for completing the course.

I am running out of words and only tears run down my eyes when I want to thank my parents who have been constantly showering their blessings from the heaven above.

My overwhelming gratitude towards my dear family is too deep of words. There is saying that “Behind every successful man there is a woman”. But behind my success stands my family my wife and son. I dedicate my work to them Mrs. P.Mary Sheritha and P.S. Anush Roshan.

I express my deep sense of gratitude to my parent’s-in-law, friends and well wishers for their good will.

Last but not the least my bountless thanks to the Father in the Heaven above who has blessed me abundantly throughout the work and had constantly accompanied me during my thick and thin times.

K.PALANIRADJA
