ACKNOWLEDGEMENTS

Acknowledgement and to be acknowledged is what life is all about. As my ‘ship’ has reached the ‘shore’ after sailing the vast sea of scientific knowledge, it’s my turn to acknowledge concerned persons who contributed directly or indirectly in this work. The memories of this research will be treasured in my heart, lifelong. For some acknowledgement might be a mere formality, but for me it’s as important as my whole work.

It is said that a man never gets more than his destiny, but I am indebted to the omnipotent of the universe-The almighty for giving me more than my share. First of all my heartfelt salutation to the feet of Almighty, who bestowed upon me the strength and zeal as a result of which this arduous task has been completed.

It gives me immense pleasure to express my deep sense of gratitude and sincere thanks to my advisor Dr. Dipak Kumar Bose, Associate Professor, Department of Agricultural Extension and Communication, for his prudent administrations, valuable guidance, strong commitment, keen and sustained interest during the present investigation and preparation of this manuscript.

I gratefully acknowledge the cooperation, uninterrupted guidance, impeccable and Co-advisor, Prof. (Dr.) J. P. Srivastava, Professor Emeritus, Department of Agricultural Extension and Communication, valuable suggestions rendered to me by my

My sincere thanks to the other members of my Students Advisory Committee Prof. (Dr.) Robin L. Prasad, Registrar and Professor, Department of Agricultural Economics and Agribusiness Management, Allahabad School of Agriculture, SHIATS, for his constant help, noble guidance and valuable suggestions.

I express my sincere gratitude to Prof. Dr. (Ms.) Jahanara, Head, Department of Agricultural Extension and Communication, for her constant help, constructive criticism and valuable suggestions during the course of my work.
I must express my deep sense of gratitude to Prof. (Dr.) B. N. Tripathi (Former Professor and Head, Department of Agricultural Extension and Communication), for his inspiring encouragement and affectionate dealing from time to time. His constant support at time of impasse has been instrumental in seeing my life throughout.

With profound sense of gratitude, I offer with sincere gratefulness and profound thanks to Prof. Dr. (Mrs.) Sarita Sheikh, Former Dean, Ethelind School of Home Science, Sam Higginbottom Institute of Agriculture, Technology & Sciences (Formerly Allahabad Agriculture Institute) (Deemed-to-be-University) for her constant advice and constructive criticism which nourished my interest in the subject and provided a free and pleasant atmosphere to work against all odd situations.

I express my heartfelt thanks to Prof. Dr. (Mrs.) Ranu Prasad, Dean, Ethelind School of Home Science, Sam Higginbottom of Agriculture, Technology & Sciences. (Deemed to -be University) Allahabad, for her help and guidance in my work.

With an overwhelming and deep sense of gratitude, I express my sincere thanks for the invaluable support, insight, guidance rendered to me by Prof. Dr. (Mrs.) A. R. Kumar, former Dean, Ethelind School of Home Science, who has always been a constant source of encouragement during the research work.

I feel immense pleasure in expressing whole hearted sense of gratitude to Prof. Dr. R. K. Raj, Professor, Department of Agricultural Extension, OUAT, Bhubaneswar for being a source of encouragement.

I offer my sincere thanks to Prof. Dr. P.W. Ramteke, Dean, PG Studies, for timely support and help pertaining to official formalities during the entire course of study.

I would like to thank Prof. (Dr.) Ram Lal, Former Head, Department of Mathematics and Statistics and member of my advisory committee for his help regarding statistical analysis and precious suggestions.

I am also thankful to Dr. Yogesh Chandra Srivastava, Subject Matter Specialist (Agricultural Extension), Directorate of Extension, SHIATS, Allahabad, who helped me a lot in preparation of this manuscript.
I feel highly elated to record my deep and sincere thanks to Dr. D. Uma Maheswara Rao, Principal Scientist, Agricultural Extension & Head, (Acting) IARI Regional Station, Pusa, Bihar for taking keen interest in my work and giving his precious time to me.

I am highly indebted to Mrs. Manju Mahananda, Assistant Professor, Department of Human Development and Family Studies, Ethelind School of Home Science, SHIATS, for her unending help throughout the programme of study. It would not have been possible for me to begin with the task without her encouragement and priceless help.

I eulogize Dr. (Mrs.) Jinamoni Saikia, Professor, Department of Child Development and Family Relations, Faculty of Home Science, AAU, Jorhat, Assam for her constant social support, helping attitude and affectionate treatment, priceless help and source of inspiration.

I also take this opportunity to thank Dr. Anita Singh and Mrs. Arti Singh, Teachers, Ethelind School of Home Science, Sam Hgginbottom of Agriculture, Technology and Sciences (Deemed to – be University) Allahabad, for their kind co-operation and support.

I owe special thanks to all the faculty members of Ethelind School of Home Science Dr.(Mrs.) Neeru Bala, (Dr.(Mrs.) V. Paul, Dr.(Mrs.) R. Dubey, Dr.(Mrs.) A. Verma, Dr.(Mrs.) A.Gupta, Dr.(Mrs.) Anshu, Dr. (Ms) A. Mathur, Dr. (Mrs.) E. Sharma, Mrs. N. Fatima, Dr. (Mrs) R. Parvez, Dr. (Mrs.) N. Chacko and Dr.(Mrs.) R. Verma) for their concern and help whenever needed.

I am highly grateful and offer my sincere thanks to Prof. (Dr.) R. B. Lal, Hon’ble Vice-Chancellor, Sam Higginbottom Institute of Agriculture, Technology & Sciences Deemed to be University, Allahabad for giving me the opportunity to pursue this study and extending all possible help and wisdom.
I record my sincere thanks to Prof. (Dr.) S. B. Lal, Pro Vice Chancellor (Administration), SHIATS, Allahabad for his help, counseling and guidance and facilities provided during the course of my field work.

My gratitude is extended to Prof. (Dr.) A. K. A. Lawrence, Pro Vice Chancellor (Academic Affairs), SHIATS, Allahabad for his encouragement, guidance and facilities provided during the course of my research work.

Words fail to convey deepest sense of thankfulness to my husband Er. Satyajit Mohapatra for his support, patience and love, ceaseless inspiration, sacrifice and unending encouragement to achieve my goal and success at every step in my life.

I have no words to express my heartfelt gratitude to my beloved parents, Sri Braja Kishore Paramguru and Srimati Bishnupriya Paramguru (Nana & Bou) without whom I would never have been able to reach this far. I have not enough words to express my feelings and gratitude to my father-in-law, Sri Baishnav Charan Mohapatra (Bapa), brother-in-laws and sister-in-laws Srí Biswajit Mohapatra & Sarita Mohapatra (Nana & Nani) Srí Santosh Satapathy & Basanti Satapathy (Badanana & Badanani) Srí Sasanka Sekhar Mishra & Supriti Mishra (Sananana & Sananani), brother (Takan) and sisters (Sumi and Preeti), Brother-in-laws (Subash & Shiva), Bhabi (Sinu), for their persistent blessings, encouragement and support in every possible way to enable me to achieve this academic success in life.
