ACKNOWLEDGEMENTS

Thank God for the wisdom and perseverance that he has bestowed upon me during this research project, and indeed, throughout my life. Let me bow before God, the almighty for giving me the strength and blissful world of knowledge and wisdom with great reverence to undertake my journey into the fathoms of research.

Though, it is very difficult to show the true heartiest feelings mere with the use of the words, I am expressing my thanks to all those who directly or indirectly helped me in completing my research work.

I am deeply indebted to my supervisor ‘Prof. Sangeeta’ for her guidance and support throughout my intellectual journey. Without her suggestions, critical discussion, expertise and constructive comments, this research work would not have been completed successfully.

I wish to record my profound gratitude to Prof. D.S Yadav and Dr. P. K. Sahu, Assistant professor for solving my doubts and guiding me time to time.

I also would like to extend my gratitude to all the experts from the prestigious institutions like NCERT, CIET, Kurukshetra University and GGSIP University (Delhi) for their expert opinions and kindness in sparing time for my tools’ validation.

My gratitude extends to all teachers who participated in the study. You all have made my journey meaningful. To my colleagues, for having shared my concerns, for having understood my needs and for always being there with a helping hand.

I dedicate this research work to my parents whose unceasing prayer, motivation and inspiration encouraged me to complete this long journey, and to my beloved husband and child whose understanding, patience and unfailing love have accompanied me throughout this journey. My special thanks to my younger sister for her constant help and encouraging me in this period of hardship. The expression of my gratitude will remain incomplete if I fail to express deep sense of
indebtedness to my in laws who extended help in every possible way to enable me to complete this research study.

I would be failing in my duty if I do not pay my due thanks to Library staffs of Education Department, Kurukshetra University, Kurukshetra; Punjab university, Chandigarh; NCERT Library, GGSIP university and ICSR library, Delhi; whom I found ever willing to help me with the material relevant to the study in their charge.

I also express my warmest thanks to my dear friend Jyoti and others who helped me a lot to complete this research work.

Above all, again I am grateful to Almighty God for continuously serving as a light house for blessing me the patience and courage to go ahead with task and make it a success.

SUNANDA SAINI
