19 Influence of Hindu and Christian Religious Groups on the Theoretical value of Prospective Secondary School Teachers
20 Influence of Hindu and Muslim Religious Groups on the Theoretical value of Prospective Secondary School Teachers
21 Influence of Christian and Muslim Religious Groups on the Theoretical value of Prospective Secondary School Teachers
22 Influence of Parents' Annual Income on the Theoretical Value of Prospective Secondary School Teachers
23 Influence of Sex on the Economic Value of Prospective Secondary School Teachers
24 Influence of Academic qualifications on the Economic Value of Prospective Secondary School teachers
25 Influence of Methodology opted on the Economic value of Prospective Secondary School Teachers
27 Influence of Hindu and Muslim Religious groups on the Economic value of Prospective Secondary School Teachers
28 Influence of Christian and Muslim Religious groups on the Economic value of Prospective Secondary School Teachers
29 Influence of Methodology opted on the Economic Value of Prospective Secondary School Teachers
30 Influence of Sex on the Aesthetic Value of Prospective Secondary School Teachers
31 Influence of Academic Qualifications on the Aesthetic Value of Prospective Secondary School Teachers
32 Influence of Methodology opted on the Aesthetic Value of Prospective Secondary School Teachers
33 Influence of Hindu and Christian Religious groups on the Aesthetic Value of Prospective Secondary School Teachers
34 Influence of Hindu and Muslim religious groups on the Aesthetic value of prospective secondary school teachers
Influence of Christian and Muslim Religious Groups on the Aesthetic Value of Prospective Secondary School Teachers

Influence of Parents' Annual Income on the Aesthetic Value of Prospective Secondary School Teachers

Influence of Sex on the Social Value of Prospective Secondary School Teachers

Influence of Academic Qualification on the Social Value of Prospective Secondary School Teachers

Influence of Methodology opted on the Social Value of Prospective Secondary School Teachers

Influence of Hindu and Christian Religious Groups on the Social Value of Prospective Secondary School Teachers

Influence of Hindu and Muslim Religious groups on the Social Value of Prospective Secondary School Teachers

Influence of Christian and Muslim Religious Groups on the Social Value of Prospective Secondary School Teachers

Influence of Parents' Annual Income on the Social Value of Prospective Secondary School Teachers

Influence of Sex on the Political Value of Prospective Secondary School Teachers

Influence of Academic Qualifications on the Political Value of Prospective Secondary School Teachers

Influence of Methodology opted on the Political Value of Prospective Secondary School Teachers

Influence of Hindu and Christian Religious Groups on the Political Value of Prospective Secondary School Teachers

Influence of Hindu and Muslim Religious Groups on the Political Value of Prospective Secondary School Teachers

Influence of Christian and Muslim Religious Groups on the Political Value of Prospective Secondary School Teachers

Influence of Parents' Annual Income on the Political Value of Prospective Secondary School Teachers
51. Influence of Sex on the Religious Value of Prospective Secondary School Teachers
52. Influence of Academic Qualifications on the Religious Value of Prospective Secondary School Teachers
53. Influence of Methodology opted on the Religious Value of Prospective Secondary School Teachers
55. Influence of Religion on the Religious Values of Prospective Secondary School Teachers – ANOVA
57. Influence of Hindu and Muslim Religious groups on the Religious Value of Prospective Secondary School Teachers
58. Influence of Christian and Muslim Religious Groups on the Religious Value of Prospective Secondary School Teachers
59. Influence of Parents' Annual Income on the Religious Value of Prospective Secondary School Teachers
60. Levels of Attitude of Prospective Secondary School Teachers
61. Influence of Sex on the Teacher Attitude of Prospective Secondary School Teachers
62. Influence of Academic Qualifications on the Teacher Attitude of Prospective Secondary School Teachers
63. Influence of Methodology opted on the Teacher Attitude of Prospective Secondary School Teachers
64. Influence of Hindu and Christian Religious Groups on the Teacher Attitude of Prospective Secondary School Teachers
65. Influence of Hindu and Muslim Religious Groups on the Teacher Attitude of Prospective Secondary School Teachers
66. Influence of Christian and Muslim Religious Groups on the Teacher Attitude of Prospective Secondary School teachers
67. Influence of Parents' Annual Income on the Teacher Attitude of Prospective Secondary School Teachers
Levels of Teaching Aptitude of Prospective Secondary School Teachers

Influence of Sex on the Teaching Aptitude of Prospective Secondary School Teachers

Influence of Academic Qualifications on the Teaching Aptitude of Prospective Secondary School Teachers

Influence of Methodology opted on the Teaching Aptitude of Prospective Secondary School Teachers

Influence of Hindu and Christian Religious groups on the Teaching Aptitude of Prospective Secondary School Teachers

Influence of Hindu and Muslim Religious Groups on the Teaching Aptitude of Prospective Secondary School Teachers

Influence of Christian and Muslim Religious Groups on the Teaching Aptitude of Prospective Secondary School Teachers

Influence of Parents' Annual Income on the Teaching Aptitude of Prospective Secondary School Teachers

The Chi-square ($\chi^2$) Test of Independence - to test the Divergence of Observed Results from those Expected on the Hypothesis.

Influence of Sex on the Relationship between Values and Teacher Attitude of the Prospective Secondary School Teachers

Influence of Academic Qualifications on the Relationship between Values and Teacher Attitude of the Prospective Secondary School Teachers

Influence of Methodology opted on the Relationship between Values and Teacher Attitude of the Prospective Secondary School Teachers

Influence of Hindu and Christian Religious Groups on the Relationship between Values and Teacher Attitude of the Prospective Secondary School Teachers

Influence of Hindu and Muslim Religious Groups on the Relationship between Values and Teacher Attitude of the Prospective Secondary School Teachers
Influence of Christian and Muslim Religious Groups on the Relationship between Values and Teacher Attitude of the Prospective Secondary School Teachers

Influence of Parents' Annual Income on the relationship between Values and Teacher Attitude of the Prospective Secondary School Teachers

The Chi-square ($\chi^2$) Test of Independence - to test the Divergence of Observed Results from those Expected on the Hypothesis.

Influence of Sex on the Relationship between Values and Teaching Aptitude of the Prospective Secondary School Teachers

Influence of Academic Qualifications on the Relationship between Values and Teaching Aptitude of the Prospective Secondary School Teachers

Influence of Methodology opted on the Relationship between Values and Teaching Aptitude of the Prospective Secondary School Teachers

Influence of Hindu and Christian Religious Groups on the Relationship between Values and Teaching Aptitude of the Prospective Secondary School Teachers

Influence of Hindu and Muslim Religious Groups on the Relationship between Values and Teaching Aptitude of the Prospective Secondary School Teachers

Influence of Christian and Muslim Religious Groups on the Relationship between Values and Teaching Aptitude of the Prospective Secondary School Teachers

Influence of Parents' Annual Income on the Relationship between Values and Teaching Aptitude of the Prospective Secondary School Teachers

The Chi-square ($\chi^2$) Test of Independence - to test the Divergence of Observed Results from those Expected on the Hypothesis.
93. Influence of Sex on the Relationship between Teacher Attitude and Teaching Aptitude of the Prospective Secondary School Teachers

94. Influence of Academic Qualifications on the Relationship between Teacher Attitude and Teaching Aptitude of the Prospective Secondary School Teachers

95. Influence of Methodology opted on the Relationship between Teacher Attitude and Teaching Aptitude of the Prospective Secondary School Teachers

96. Influence of Hindu and Christian Religious Groups on the Relationship between Teacher Attitude and Teaching Aptitude of the Prospective Secondary School Teachers

97. Influence of Hindu and Muslim Religious Groups on the Relationship between Teacher Attitude and Teaching Aptitude of the Prospective Secondary School Teachers

98. Influence of Christian and Muslim Religious Groups on the Relationship between Teacher Attitude and Teaching Aptitude of the Prospective Secondary School Teachers

99. Influence of Parents' Annual Income on the Relationship between Teacher Attitude and Teaching Aptitude of the Prospective Secondary School Teachers

100. Value Preferences of Prospective Secondary School Teachers

101. Value preferences of Male and Female Prospective Secondary School Teachers

102. Value Preferences of Graduate and Post graduate Prospective Secondary School Teachers

103. The value Preferences of Arts and Science streams Prospective secondary School Teachers

104. Value Preferences of Prospective Secondary School Teachers belonging to Hindu, Muslim and Christian Religious groups

105. Value Preferences of Prospective Secondary School Teachers according to their Parents' Annual Income
