ACKNOWLEDGMENT

The culmination of the research and the completion of this thesis were made possible by the direct and indirect involvement, contributions, assistance, benevolence and blessings of many individuals. I am grateful to every one of them and express my heartfelt thanks and appreciation.

I am greatly indebted to Dr. P. Thambidurai, Principal, Perunthalaivar Kamarajar Institute of Engineering and Technology, Karaikal, for what he was and continues to be academically, professionally and personally to me. His imparting of expertise, experience, ethics and wisdom added immense value to me as a person, a teacher and a researcher.

I sincerely thank Dr. T. G. Palanivelu, Principal, Pondicherry Engineering College and Dr. K. Ethirajulu, Former Principal, Pondicherry Engineering College for granting permission and rendering support to carry out the research work.

I am grateful to my doctoral committee members Dr. S. Kuppuswami, Director of Studies, Educational Innovations and Rural Reconstruction, Pondicherry University, Puducherry and Dr. R. Panneerselvam, Dean, School of Management, Pondicherry University, Puducherry for providing valuable comments and constructive suggestions towards improving the quality of this research.

I would also like to thank Dr. K. Vivekanandan, Professor and Head, Department of Computer Science and Engineering, Teaching, Non-Teaching and other Supporting Staff of the Department of Computer Science and Engineering, Department of Information Technology and Department of Computer Applications for providing a good working environment.

I am very much thankful to my past and present Students, especially those who were under my tutelage, Mrs. K. Saruladha, Mr. N. Sivakumar, my Fellow Researchers, Close Associates, Well Wishers and Friends inside and outside the campus and the department who have been instrumental in getting me across the finish line. Their continuous encouragement and support throughout this research has helped in the successful completion.

Most importantly, I wish to express my gratitude to my parents Shri. D. Fidele Marc and Smt. F. Mariammal, sister Jesintha, brother Lucien, children Jenny, Joe, Jerry, Juli and wife Rashmi for their unlimited love and support during every stage of my life, among which, research formed an important stage in the recent past. With them, everything happened.

Finally, I thank the Almighty, for making this a part of my destiny.
