ACKNOWLEDGEMENTS

Thanks to God Almighty, for this grace, wisdom and comfort throughout my studies. There were times where things were very tough and God was there to protect and give me strength to overcome heavy storms and strong waves. This was indeed a very long journey and I praise you God always.

Supervisor Dr. Ammani. K for the advice, support and encouragement she gave me throughout my project. His office was always open to discuss my work, and his inputs and criticism were very helpful, especially during discussion of scientific papers. Thanks for your negative and positive comments, they have made me grow from strength to strength and realize that if I want to be a good scientist, I really need to work harder and harder.

Rajiv Gandhi National Research Fellowship (RGNF) for financial support.

The opportunity to extend his gratitude to Professor Professor Z. Vishnuvardhan, the present Head of the Department of Botany and Microbiology, and all my teachers especially Professor K.V. Mallaiah and Dr. V. Umamaheswara Rao for helping in the Department of Botany and Microbiology, Acharya Nagarjuna University for providing laboratory facilities to carry out Ph. D program and also for their personal suggestions and encouragement during this research programme.

Grateful to Professor T. Pullaiah, Department of Botany, Sri Krishna Devaraya University for identifying the plant species.

Thankful to Dr. B. V. Prasad, Chief Scientist, Natural Products Division, Vivimed Labs Ltd. (Nisarg) for providing the laboratory facilities to carry out some of the phytochemical analytical for identification and characterization of compounds and providing HPLC, GC/MS, IR and ¹H NMR and ¹³C NMR from Vivimed labs and IICT, Hyderabad.
Thankful to N. Nagaraju, P. Siva Prasad and N. Venkatarao past non teaching staff for extending their brotherly hood help in the department during my research work for all the years.

To Venkateswarlu and others present non teaching staff for their help in the department during my research work.

Thanks to seniors and juniors especially K. J. P Narayana and Y. Usha for their co-operation, helpful discussions and encouragement.

I am thankful to my parents, Rao B Koppula and Mary Koppula for their love, support, guidance and mostly believing in me throughout my study life and making sure that my dream become a reality. I would like to thank God for blessings me with such a lovely parents.

Finally a warm thanks to Brothers (Anil and K K Babu) and Sister-in-Law (Seshu) for their encouragement affectionate co-operation in all through this work.

Psalm 23:4 Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me; your rod and your staff, they comfort me.

(SUNIL BABU KOPPULA)
