ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to Prof. K. Somasekhara Rao, Research Director, for his sententiously valuable and immensely useful suggestions all through my research work. Without any hesitation to declare this as verity that he is towering and perennial source of inspiration, which motivated me to fulfill this gigantic task successfully with a quality perspective.

I would like to acknowledge with thanks the co-operation extended by Prof. C. Sasikala, Head of the Department, Prof. G. Valasayya, Prof. J. Vijayakumari, and Sri V. Dhanraj, Assistant Professor, Department of Library and Information Science for their ethical support to complete this task.

I cannot forget the help and co-operation rendered in every stage of this research work by Prof. P.Bhasakara Rao, (Retd.). Department of Library and Information Science, A.U.

I am thankful to the Management of ANITS Sri. V.Thapovardhan, Secretary & Correspondent, Prof.V.S.R.K.Prasad, Principal, Prof. R.Govardhana Rao, Director (Admin), Prof.K.V.S.N.Raju, Director (R&D), for their co-operation and guidance extended to pursue my research work.

I am highly indebted to the Librarians of all Engineering Colleges for their cooperation extended in pursuing my research. It is not an abatement to furnish all their names, but lack of space.

My thanks are also extended to my friends and research colleagues Dr.C. Nageswara Rao, Mr.P.Suresh Kumar, Mr.K. Uma Mahesh Yadav, Mr.S. Suresh, , Smt. Y. Fathima Rani, Dr.T. Sai Ramesh, Dr.G. Prabhakar, Dr.T.Venkata Rao, Dr.G. Anna Prasad Rao, Mr.M. Venkata Rao, Dr.K. Durga Prasad, Mr. S. Siva Prasad, Mr. P. Prasad Mr.B. Nagabhushanam, Prof.V. Nireekshna Babu, Mr.G. Ayya Babu, Mr.N.V Subba Rao and other scholars, who have provided valuable suggestions to accomplish this work.
My sincere thanks are due to the staff of Dr.V.S. Krishna Library, Andhra University, Visakhapatnam for providing the required materials.

I am very much thankful to Madam Smt. K. Naga Satyavathi for her hospitality, guidance and co-operation extended during my research work.

My absence at home due to research caused inconvenience abundantly to my life partner Smt. N.Lavanya. This is an antitype for her forbearance. This is my special acknowledgement. My special thanks are extended to my children Master Sri Pranay and Baby Sree Prateeka.

I extend my heartfelt gratitude to Dr. M.Sudhakar Babu, for his valuable guidance during data entry, tabulation, processing and analysis of data.

I am responsible and pardonable for shortcomings and omissions.

Nagavolu Venkata Rao
