ACKNOWLEDGEMENTS

I am immensely delighted to acknowledge the delightful guidance of my Research Supervisors and well wishers, Dr C. Eswara Reddy, Professor of Mechanical Engineering, S. V. University College of Engineering, Tirupati and Dr. K. Hemachandra Reddy, Professor of Mechanical Engineering, JNTU College of Engineering, Ananthapuramu. They have been with me with time-to-time much needed invaluable guidance with full support and great encouragement.

I thank Dr. B. Durga Prasad, Professor and Head, Department of Mechanical Engineering, JNTUA College of Engineering, Ananthapuramu for his suitable advice and continuous encouragement bestowed on me.

I am grateful to Sri D. Vidyadhara Kumar Reddy, Correspondent and Dr.Ch. V. Parameswara Rao, of PBR VITS, Kavali, for their cooperation extended to carry-out the Research Work.

I place on record with deep sense of gratitude the services rendered Prof. S. Sunil Kumar Reddy, SIET, Puttur for helping in experimental work on DI Diesel Engine.

I express sincere thanks to Dr. G. Jayachandra Reddy, Professor and Principal, Y S R Engineering College, Yogi Vemana University, Proddatur and Dr. C. Bhaskar Reddy, Associate Professor & Head, Department of Mechanical Engineering, SKIT, Srikalahasti, Dr. V. Diwakar Reddy, Professor, SVU College of Engineering, Tirupati and Sri P. Sanjeev Kumar, Associate Professor & Head, Department of Mechanical Engineering for their invaluable help, and advisory role to carry-out this research work.

I place my grateful thanks on record for their Cooperation and help rendered by the following during my research.

Sri C. M. M. Rao, Professor of Mechanical Engineering, Sri M. Mahendra Babu, and Sri K.V.N.V.N. Rao, Associate Professors, PBR VITS, Kavali. Sri B. Konda Reddy, Head of Mechanical Engineering, Sri. B. Sunil Kumar, Sri Y. Rajesh, Assistant Professors, all teaching and non teaching Staff members of Mechanical Engineering Department.
I thank my Wife, Smt. C. Lakshmi, my brother, children and other members of my family for their understanding, encouragement and cooperation during the period of this endeavour.

I am also thankful to M/S Students Xerox, Tirupati for their cooperation extended in the printing of this Thesis.

I place my gratitude humbly at the lotus feet of the Kaliyuga god, Lord of Seven Hills, Sri Venkateswara, who guides every one of us always.

Finally, I extend my thanks to all those who have rendered their help directly or indirectly during my Research Work.

C. V. SUBBA REDDY
