| 1.     | Andhra Pradesh (CDCC) | - Central documentation clearance center  
- Common application form  
- 30-day time limit for annual inspection  
- Zonalisation of industrial areas proposed | While response to the system is positive, implementation is still a problem |
| 2.     | Gujarat (July 1997) | - Clearance  
- Zonalisation of areas  
- Computerization of returns | Moved on fast track successfully |
| 3.     | Haryana (June 2000) | - Single window system  
- To monitor & ensure clearances by various departments within the fixed time schedule. |  |
| 4.     | Tamil Nadu | - Simplified procedures  
- 30 day limit of clearance  
- Preparation of handbook for Entrepreneurs  
- Managers & official being | There is an integrated approach and gradual change in the mind set of officials due to the pressure of Small Industries Associations |
| 5.     | Uttar Pradesh (1980) | - Coordination between different departments  
- Clearance (deemed provision)  
- Prior approval of district magistrate of commissioner for inspections | Feedback is mixed |
| 6.     | Kerala | - Kerala industrial single window clearance boards  
- 3 tier boards for clearances  
- 45 day limit for clearance |  |
