Acknowledgements

I am extremely grateful and express my heartfelt thanks to my research supervisor, Dr. Shubha Gopal, Associate Professor, DOS in Microbiology, University of Mysore, Manasagangotri, Mysuru for her guidance. Her deep insights helped me throughout my research. She has been a constant source of strength and inspiration during this amazing journey and no doubt she will be the same for the remaining part of my life. I can honestly say that it was her constant encouragement that ultimately made it possible for me to see this project through to the end. I feel very fortunate to have an opportunity to work under her patient and carrying supervision. Her advice on both research as well as on my career have been priceless.

I sincerely thank the members of my doctoral committee, Dr. Ravishankar Rai, Dr. N. Lakshmi devi, Dr. S. Sathish and Dr. M. Y. Sreenivasa for their kind support and encouragement. I also remain indebted for their understanding, support and for their valuable suggestions.

I am greatful to my research colleagues Dr. Zareena, Mr. Vineeth, Miss Sangeetha, Miss Niveditha Prakash, Mr. Pradeep, Mr. Siddegowda and Mr. Sathisha not only for all their useful suggestions but also for being there to listen when I needed an ear and to help when I needed the hands.

I thank Prof. A. G. Deviprasad, Mr. Komal kumar, Ms Komala, Mr. Jagadeesh, Ms. Manasa and Ms. Janefer for their assistance during this journey.

I express my heartfelt thank to Dr. Sachin, Ms. Rajini (Indian Institute of Science), Ms. Prachi and Satish for their vital and technical support.

I would like to thank my researchmates and friends, Dr. Rakshith, Dr. Syed, Mrs. Chaitra Narayan, Rajesh P. S, Mohammed Aman, Shankar Ganesh, Nagaraj, N, Deepthi, B. V, Deepa, N, Jamuna Bai, Kavitha, Yashwanth, Azmath Pasha, Poornachandra Rao, Kiana, Manasa, Kangkana, Dorin, Nuthan, Ramesh who supported me and incented me to strive towards my goal.
I would also like to thank all of my friends of sister departments, for their help in various ways.

I deeply acknowledge DOS in Microbiology, University of Mysore, Mysore, for providing me the opportunity to do my research work and also Indian Institute of Science for providing me the facility to carry out analysis.

I also thank the non-teaching staff of DOS in Microbiology, University of Mysore, Mysore, for their indeed support.

Finally, it gives me an immense debt of gratitude to express my sincere thanks to my parents, husband and my family. Words cannot express the feelings I have for them and I express my special thanks to them for their constant unconditional support. Their endless love, priceless, perpetual, indispensable help, support and everything made all this possible.

Deepashree. C. L
