CHAPTER 1
INTRODUCTION

- Library Consortia
- Engineering College Libraries
- Engineering College Libraries in Kerala
- Need for Library and Information System in Engineering Colleges
- Need and Significance of the Study
- Statement of the Problem
- Definition of Key Terms
- Organization of the Thesis
CHAPTER 2
LIBRARY CONSORTIA INITIATIVES

- Library Consortia Initiatives: International
- Library Consortia Initiatives in India
CHAPTER 3
REVIEW OF RELATED LITERATURE

- Library Consortia: Types, models, licensing etc.
- Library Consortia for Specific Disciplines
- Library Consortia in Different Countries
- Library Consortia in India
CHAPTER 4
METHODOLOGY

- Objectives of the Study
- Hypotheses
- Scope and Limitations of the Study
- Data Collection Methods
- Selection of Sample and Data Collection
- Methods of Data Analysis
CHAPTER 5
ANALYSIS OF DATA

- General Information
- Library Collections
- Library Budget
- Technical Organization of Library Collection
- Library Services
- Internet and Electronic Resources
- Library Automation and Networking
- Library Networks and Consortia
CHAPTER 6
SUMMARY OF FINDINGS AND SUGGESTIONS

- Summary of Findings of Analysis
- Tenability of Hypotheses
- Suggestions for the Improvement of Engineering College Libraries
- Suggestions for Further Research
BIBLIOGRAPHY
APPENDICES
