Research Publications in reputed international journals

6. “Synthesis and characterization of SiO₂ coated NiFe₂O₄ Powders by sol gel process”, S. Vivekanandhan, M. Venkateswarlu, N. Satyanarayana, Communicated to “Journal of Nanoscience and Nanotechnology”.

8. “Synthesis and Characterization of Nanocrystalline $\text{LiNi}_{0.5}\text{Co}_{0.5}\text{VO}_4$ Powders by Citric Acid Assisted Sol-Gel Combustion Process” S. Vivekanandhan, M. Venkateswarlu, N. Satyanarayana, Communicated to Journal of Alloys and Compounds.

**Research Publications in International Conference Proceedings**
