Acknowledgement

In the name of Allah, the most Gracious and the most Merciful, I am humbled to the Almighty Allah for bestowing upon me His Blessings, Courage and Power which make this work successful.

I have accumulated a large number of debts in preparing this work. While a brief acknowledgement here in no way writes them off, it is a small courtesy whose sentiments are sincere.

I feel extreme pleasure to express my heartfelt gratitude to my esteemed Supervisor Prof. (Dr.) Mohd Sultan Bhat, for his untiring and stimulating supervision and dexterous guidance, fruitful discussions, constant encouragement, and his suggestions for improvement. It is the kindness of Allah who blessed me with such a trustworthy guide under his surveillance I have not only grown academically, but as a person as well. It is due to his aesthetic guidance, great stimulus and sound criticism that the present work is brought forward.

I express my heartfelt thanks to admired Prof. Tasawoor A. Kant, Prof. Ishtiaq A. Mayer, Dr. Shamim Ahmad Shah, Dr. Parvaiz Ahmad, Dr. G.M. Rather, Dr. Harmeet Singh, Dr. Javeed Ahmad and Mr. Mohammed Shafi for their cooperation, constant guidance and healthy suggestions.

My thanks are also due to all the technical and non technical staff especially Dr. Akhter-ul-Alam, Mr. Nissar Ahmed Kuchay, for their valuable encouragement, advice and assistance. I express my thanks to Mr. Ab. Karim, (Librarian), Mrs. Yasmeena and Miss Firdousa, (Computer Assistant) for their cooperation and technical support. I would also like to thank Mr. Mohd Shafi and Mr. Hamid and other office attendants.

I am much grateful to the various Departments like Srinagar Municipal Corporation, Directorate of Statistics & Economics, Census Department J&K, Department of Tourism etc. for their immediate support and concern for extending their
cooperation by providing access to the data base relevant to the various aspects of the report.

I would like to extend my thanks to all my friends and Well-wishers especially, Zahoor A Nengroo, Pervaiz A Teli, Hakim Farooq Ahmad, Jehangir A Parray, Aadil Manzoor Nanda, Mohd Sabir, Tariq A Lone, Dr. Zahoor ul Hassan, Dr. M. Imran Malik, Showkat A. Ganaie, Dr. Younis R Shah and Showkat A Shah.

I would like to acknowledge and appreciate the efforts of my childhood teachers especially Mr. Zahoor A Gilkar (Teacher- School Education), Mr. Sakhi Shamim Ahmad (+2 Lecturer) and Mr. Mujahid Ahmad (Assistant Professor).

I am much beholden to my cousins especially Firdous Ahmad, Pervaiz Ahmad and Mehraj-ud-din Dar for their guidance and encouragement since I entered into the field of learning.

I shall be falling in my duties if I do not place on record my sincere and grateful thanks to all those authors and writers from whose writings I have been benefited.

Last but not least, I shall be failing my moral duties if I don’t acknowledge my generous and sympathetic Parents who extended their love and moral support for completing this research work. Without their benediction, I could not reach to my destination. I can never forget their scarification, concern and patience for me. No words are enough to express my thanks to them.
