Acknowledgements

I express my sincere and profound sense of gratitude to Dr. K. Vijayakumaran Nair, Former Reader, Department of Zoology, Mar Ivanios College, Thiruvananthapuram -15 for suggesting the topic and guiding me to complete this thesis successfully. He has been a constant source of inspiration to me with his easy accessibility, innovative, interactive and creative suggestions throughout the course of this endeavour.

I acknowledge my sincere thanks to Rev. Fr. Mathew Manackarakavil, Principal, Mar Ivanios College, Thiruvananthapuram for providing facilities to complete this study. I also record my gratitude to Sri. T.V. George, Head, Department of Zoology, Mar Ivanios College for the cooperation and help rendered to me.

I am grateful to Dr.A.K.Cicilykutty, Former Reader, Mar Ivanios College, Thiruvananthapuram for her kind support extended to me whenever required.

My sincere thanks are also due to Dr. Francis Sunny, Reader, University College, Thiruvananthapuram, Sri. K. Aravind Krishnan, Sel. Gr. Lecturer, University College, Thiruvananthapuram and Ms. Aja M., Jaya M., the Research scholars, Department of Zoology, Mar Ivanios College, Thiruvananthapuram for their timely suggestions and constructive criticism offered to me during the study.

I remember with thanks the cooperation extended by staff members of Departments of Zoology and Botany, Mar Ivanios College, Thiruvananthapuram and Department of Zoology, S.N. College, Sivagiri, researchers and colleagues who are directly or indirectly associated with this venture.

I also acknowledge the UGC with thanks for granting a teacher fellowship under Faculty Improvement Programme (No: F.110/FIP/ X6 plan/UGC/SWRO/ KLE 017 dated 29/3/05)

During the tenure of my work, I had availed facilities of the libraries of various institutions like College of Agriculture Thiruvananthapuram, Department of Zoology and
Environmental Sciences, University of Kerala and the INSDOC Bangalore. I remember with thanks the services rendered by them.

I am thankful to Dr. Prasad, Reader, Department of Zoology, University of Kerala and Mr. R. Sreekumar, Scientific Officer, Sree Chitra Tirunal Institute of Medical Sciences for their valuable help in SEM studies.

I have the privilege to express my sincere thanks to Mr. K. J. Vinod and Mrs. O.S. Salini, Snaap Designs, Nanthencode, for their valuable help in the compilation of this thesis.

I am thankful to the Manager, S.N. Trusts, for giving the consent for availing deputation to complete my thesis.

Finally I express my gratitude to my wife and son who helped and supported me much in fulfilling this humble attempt.

R.V. Saratchandran
