ACKNOWLEDGEMENT

With great pleasure, I acknowledge my profound sense of gratitude to my Research Supervisor, Prof. Dr. K. Aruna Rao, Professor, Department of Statistics, Mangalore University, for his valuable guidance, supervision and advice. In spite of his visual disability, his truly scientist intuition made him a constant oasis of ideas and passion in Statistics, which enriched my growth as a student and researcher. I am indebted to him and his family for all their support.

I gratefully acknowledge my teachers at the department of Statistics, Mangalore University, Prof. K. K. Achary, Prof. T. P. M. Pakkala and Prof. Ismail B., for their support during my research work.

I am very grateful to Prof. K. M. S. Sharma for his valuable suggestions.

I am also very thankful to the management and staff of Nitte Mahalinga Adyanthaya Memorial Institute of Technology, Nitte, A.B. Shetty Memorial Institute of Dental Sciences, Deralakatte, Mangalore and Alva’s Institute of Engineering and Technology, Mijar, Moodabidri for their cooperation and support during my research work.

My sincere thanks also go to the students and research scholars of Mangalore University who have helped me directly or indirectly during my work. As ever, I also remain indebted to my family members.

To all who helped me in many ways, I say, “Thank you!”.
