ACKNOWLEDGMENT

At the outset, I express my sincere thanks to the Authorities of Mangalore University and Gulburga University, for providing me an opportunity to Register for Ph.D and to carry on and research work.

I express my sense of gratitude and regards to my Research Guide Dr. V.G.TALAWAR, Professor, Department of Studies and Research in Library and Information Science, University of Mysore, Mysore, for his valuable suggestions, motivation to work, inspiration, guidance and unbounded love and affection that has made possible for me to undertake and complete the present research work.

I am indebted to Dr A.K.Bardol, Professor and Chairman, Department of Library and Information Science, Mangalore University, and Dr. Shivalingaiah, Reader, Department of Library and Information Science, Mangalore University, for all their co-operation and suggestions extended from time to time in carrying out this work. I thank Dr. C.R.Kartsiddappa and Dr. S.L.Sangam, Professors in Department of Library and Information Science, Karnataka University, Dharwad, for their constant encouragement. I also thank my colleagues in the Department Dr B.S. Maheswarappa, Professor, Dr Lalitha K.Sami, Reader, Dr. N Parvathama, Reader, and Dr. V T Kamble, Senior Lecturer, for their co-operation and help during my research work.
I express my sincere gratitude to all the respondents for having responded to my questionnaire and made it possible to complete research work.

I also thank all the University Authorities and Librarians of various Universities for having responded positively to my questionnaire and for having extended fullest Co-operation by feeding the required information about their libraries.

I also thank the University Librarians and all Staff members of the Gulburga University and Mangalore University, for the service and help rendered in the preparation of this thesis.

I gratefully remember my father Sri Basavantharaya Patil and my father-in-law Sri Ranganna Subedar Naribala, who have encouraged me throughout in carrying out my studies and research.

I also acknowledge Dr S.B. Patil, Dr Veeranna Dande and G Ramulu, Gulburga University, Gulburga, Mallikarjun Jogur, Veershetty H., Kanchan Finance, Gulbarga, Sanjeeva Naik, Vagangera, Mr Basavaraju T, Mr Pavan T, Shri Ashok Sali, Shri. Vijayakumar Bagichi, Gulburga for their advice and timely help. My thanks are due to Mr. M.S. Sudhakar, Mr. M.S. Venugopal and Mr. M.S. Shivakumar, Marathi Computers, Mysore, who typed the thesis promptly and meticulously.
Finally, I express my thanks with love and affection to my wife Mrs. Lalitha Patil and Daughter Chi Mangaladevi, Son Chi. Shivashankar Prabhu and Chi Vishalalakshmi, for their patience, tolerance and cooperation and encouragement all through the bags of my research and completion of this thesis

(D.B.PATIL)
