Acknowledgements

I sincerely express my heartfelt gratitude to my supervising guide Dr. Girija Kuttan, Professor, Department of Immunology, Amala Cancer Research Centre for her expert guidance, precious advice, timely suggestions and immense patience which formed the basis for the successful completion of my work. Her constant encouragement had worked wonders on many occasions of uncertainties.

I express my deep sense of gratitude to Dr. Ramadasan Kuttan, Research Director, Amala Cancer Research Centre for his help, advice, constant support and inspiration throughout the time.

I wish my sincere thanks to Padmabhooshan Rev. Fr. Gabriel CMI, Founder Director, Rev. Fr. George Pius CMI, Former Director, Rev. Fr. Dr. Paul Achandi CMI, Managing Director, Rev. Fr. Thomas Chakkramakkil CMI, Joint Director, Amala Cancer Hospital and Research Centre, for permitting me to carry out my research at Amala Cancer Research Centre.

I would like to express my sincere thanks to Dr. Jose Padikkala and all other staff and faculties of Amala Cancer Research Centre for their support, help and suggestions.

I express my sincere thanks to Dr. V. Ramnath, Associate Professor, Department of Physiology, College of Veterinary and Animal Sciences, Mannuthy for all his help throughout the period of my study.

I express my gratitude to Dr. John Raphael, Dr. Thjeass T. P, Dr. Sheeja K, Dr. Guruvayoorappan C, Dr. Manu K. A, Dr. Preethi K. C and Mrs. Sandhya C for their support and encouragement rendered to me during my work.

I am thankful to Mr. Hamsa T. P, Mr. Siveen. K. S, Ms. Giley George K, Mrs. Vishnupriya Murali, Mrs. Sowmya T.M, Mrs. Santhini Ajith and Ms. Malini Somarajan, my colleagues in Department of Immunology for their sincere cooperation and encouragement extended to me during my work.

I am thankful to Mr. M. Muthuvel, Mr. D. Kathiresan and other members of Department of Radiotherapy for their help in radiation studies. I express my gratitude to all the members of Department of Gynecology and Dr. Sureshkumar,
Associate professor, Radiotracer Laboratory, Kerala Agricultural University for their help during this study.

I am grateful to all my friends and colleagues in Amala for their constant and continuous support, critical suggestions and help throughout the time. I am also grateful to Mrs. Hemalatha E, Mrs. Preetha C. G, Ms. Thankammani N. K and Mrs. Sumathy P. K, staffs of Amala Cancer Research Centre for all the help they have provided to me.

I express my thankfulness in depth to my dear parents for their endurance, co-operation and prayer without which it would have been impossible for me to complete this work in its present form.

Above all I bow my head to God Almighty for taking care of me.

PRATHEESHKUMAR P.
