ACKNOWLEDGEMENT

At the outset, I express my respectful gratitude to our beloved Vice-Chancellor Prof. B Hanumaiah, in particular and all University Authorities in general for having granted me permission to undertake this research work.

I express my deepest sense of gratitude and respect to my research guide and supervisor Dr. D. Shivalingaiah, Reader, Dept of Library and Information Science, Mangalore University, for his unwavering support and valuable guidance right from the initial stages of my research, without which it would not have been possible to complete the research.

My sincere thanks are due to Dr. M. K. Bhandi, University Librarian, for permitting me to do the research, he also helped me to the great extent by sanctioning the leaves as and when it required for the work. I also remember his encouragement and help given to complete the research.

I am also thankful to Prof. A. K. Bardol, Chairman, Dept of Library and Information Science, Mangalore University for his valuable encouragement.

I am grateful to Prof. V. G. Talawar, former Registrar, Mysore University, and Chairman, Dept of Library and Information Science, Mysore University, Mysore for his support and sparing his valuable time for guidance.

My thanks also due to Dr. Manjunath K, Librarian, TAPMI, Manipal for his kind guidance and help in preparing this thesis.
I am also thankful to the Deputy librarian, my colleagues in the library and my teachers in the department of Library and Information Science for their help and encouragement.

My thanks are also due to all administrative staff in the University for their cooperation and help on different occasions.

I am also thankful to Mr. Umesha Naik, Lecturer, Dept. of Library and Information Science, Mangalore University for his timely help to eradicate technical problems and setting the thesis in a beautiful way.

I fail on my duty, if I do not acknowledge all LIS professionals of various colleges in Dakshina Kannada district, who provided the required data and helped me to carry out this research work. I am therefore, grateful to all the respondents and the authorities in the respective colleges.

I remain ever grateful to my parents, relatives and other family members for their endurance and especially to my wife and daughter for their tolerance, cooperation and encouragement.

Finally, I thank all those who have helped me directly and indirectly in carrying my research activity successfully.

Mangalagangotri,
