ACKNOWLEDGEMENTS

I have great pleasure to record my sincere gratitude to my research guide Dr. T. R. Sreedhara Murthy, Professor in Marine Geology for his valuable guidance, supervision, encouragement and the academic freedom he gave throughout this programme. I am indebted to him for his persistent discussions and valuable suggestions.

I am also thankful to Prof. K. R. Subrahmanyam (Chairman), Dr. R. Shankar, Dr. B. R. Raghavan and Dr. H. Gangadharma Bhat, Department of Marine Geology for their encouragement and cooperation.

I thank government departments, research institutes and government companies such as Natural Resources Data Management System - Mangalore; Ground Water Cell of Department of Mines and Geology - Mangalore; District Statistical Offices of Dakshina Kannada, Coorg and Hassan districts; Central Plantation Crops Research Institutes - Vittal and Kiddu, KIOCL - Kudremukh for sparing the secondary data. I also benefited from the discussions with Dr. Basappa Reddy, Director, Department of Mines and Geology (DMG); Geologist and Assistant Geologists of Ground Water Cell (DMG)-Mangalore. I am grateful to them.

I remember with gratitude the following persons for helping me during the field work- Mr. Siva Kumar and family, Mr. Vinod T. Bhat, Mr. Shyam Prasad, Mr. Chidananda, Mr. Umakanth, Mr. Ashok, Mr. Madhav Gatti, Mr. Soorya Narayana, Mr. Sivaprasad Shetty, Mr. Prasanna, Mr. Nonaya and Mr. Anil. I am grateful to the Chairmen of the Departments of Applied Botany, Applied Zoology, Bio Sciences and Statistics, Director of Microtron Centre for permitting me to use the lab facilities. I also thank Mr. Sasi Kumar, Mr. Rama Bhat, Arun K. T. and Mr. Nagesh for helping me in different chemical analysis. I thank Ms. Rajasree Kammath and Mr. Jose for helping me in statistical analysis.

I thank Dr. Udaya Shankar, Reader in Geology, Manipal Institute of Technology for sparing the geo-electric data. I sincerely thank my lab mates Mr. Badarees KO. and Mr. Vijaya Kumar G.T for the helps and cooperation extended by them. My friends in various departments have helped me immensely in many ways towards the completion of this work. I am thankful to them. I thank Mangalore University for sanctioning the University Research Fellowship to me. I thank office staff of Department of Marine Geology for their cooperation and helps. I also thank Mr. Satheesh for drafting the figures, which is extremely satisfactory.

I sincerely appreciate and thank Prof. Balasubramanian, University of Mysore for fruitful discussions, suggestions, encouragement and for the computer programmes given to me. I am highly indebted to Dr. Padmalal, Scientist, CESS and Ms. Rekha R for the support and inspiration they extended to me. I would like to thank my parents, brothers and sister-in-law for their encouragement, understanding and support.

RAJESH REGHUNATH
