ACKNOWLEDGEMENTS

My first and foremost humble gratitude to “ALLAH” the ALMIGHTY for giving me the strength to remain dedicated to complete this thesis.

I express my sincere gratitude to my supervisor Dr. Feza Tabassum Azmi for her scholarly guidance, unflinching support and constant encouragement towards the successful completion of this work. Her abiding commitment to scholarship and academics has been an inspiring example and I am grateful to her for her supervision and mentorship.

I owe my gratitude to Prof. Kaleem Mohd Khan for his invaluable suggestions and help related to instrument/questionnaire development. I shall remain ever grateful to Prof. M. Khalid Azam, Chairman, Department of Business Administration and Dean, Faculty of Management Studies and Research, Aligarh Muslim University, Aligarh, India, for his support and encouragement in the completion of this thesis work.

I am also grateful to Prof. Javaid Akhtar, Prof. M. Israrul Haque, Prof. Valeed Ahmad Ansari, Prof. Jamal Ahmad Farooqui, Prof. Parvaiz Talib, Dr. Salma Ahmad for their constant encouragement and support for the completion of this work. I am also thankful to all other teaching and non-teaching staff at the Department of Business Administration, Aligarh Muslim University, Aligarh, India, for always being very co-operative and supportive during this research.

I am sincerely grateful to Dr. Mohd Naved Khan, Department of Business Administration, Aligarh Muslim University, Aligarh, India for reviewing the draft questionnaire and promptly replying to all my queries as well as providing me guidance from time to time.

I am grateful to Dr. Yasser Mahfooz for his co-operation during the course of this study. I am also thankful to Late. Prof. Venkat Ratnam, IMI, New Delhi, India, Dr. G. P Raman, Presidency College, Chennai, India, Prof. K. Prabhakar, Velammal Engineering College, Velammal Nagar, Ambattur-Red Hills Road, Chennai, India for reviewing the preliminary draft questionnaire/instrument and providing their invaluable inputs and suggestions through their experience and
knowledge of the subject. I am deeply thankful to Ratnakar Misra, Ex-HR Head Hindustan Unilever Ltd. for his feedback on the earlier draft of questionnaire/instrument.

I am grateful to Dr. M. Srimannarayana, XLRI, Jamshedpur, India; Dr. Rakesh Agrawal, Assistant Professor IMT Ghaziabad, India, for providing necessary reference material. I am thankful to Dr. Andrew F. Hayes, The Ohio State University, USA, Prof. Dag Sörbom, Uppsala University, Sweden, Prof. Athar Ali Khan, Prof. Qazi Mazhar Ali, from Aligarh Muslim University, Aligarh, India and Dr. Pravasini Sahoo, IIT, Kharagpur, India for providing useful insights regarding data analysis and structural equation modeling as well as providing the reference material.

I am thankful to staff of Computer Centre and librarian of the Aligarh Muslim University, Aligarh, India for their cooperation during the course of the study. Special thanks are also due to Ratan Tata Library, Librarian, Delhi University, Delhi, India, library staff of American Centre Library and NCERT Library, New Delhi, India, for providing me access to all the research books, articles, periodicals, reviews and other reference materials in these libraries.

I am grateful to Dr. Fareed Mehadi, Training and Placement Officer, Zakir Hussain College of Engineering and Technology, Aligarh Muslim University, Aligarh, India, Suresh Tripathi, President National HRD Network Delhi Chapter and President (Human Resources) SRF Ltd, S. C. Bahuguna, Director, Indian Society For Training & Development (ISTD), New Delhi, India, S. Y. Siddiqui, National President, NHRDN and Managing Executive Officer Admn (HR, Finance, IT & COSL) Maruti Suzuki India Ltd, S. Ramesh, General Manager CPCL, Chennai, India, Mohit Gandhi, Executive Director National HRD Network, Delhi, Sham Sunder Singh, HR Consultant Chennai, India, Narender Kumar Gupta, HR Consultant, Delhi, India, Satyanarayana Kunamneni, National HRD Network for extending their support in data collection.

I am thankful to National HRD Network, New Delhi, Indian Society for Training & Development, Confederation of Indian Industry, New Delhi, Associated Chambers of Commerce and Industry of India, New Delhi and Federation of Indian Chamber of Commerce Industry, New Delhi, Delhi
Management Association, New Delhi and CII, Chennai for providing me the much needed opportunity to collect the data during the industry interaction programs organized by different industry bodies as well as for providing the databases of the member organizations to obtain the information from the selected organizations. I will like to acknowledge the cooperation extended by the responding organizations in providing their responses.

I owe my special thanks to my teachers and mentors Prof. Irshad Ahmed Hamal, Dr. Sayeed Hasan Rizvi, Prof. S. H. Shah Jafri, Prof. J. A. Qazi, Prof. Ghulam Abas, Prof. B. C Sharma, for their constant encouragement, support and good wishes. I am thankful to alumni of our Department and University for their support in data collection. I would like to thank Abdul Gafoor Danish, alumnus of the department for his help in data collection. I am also thankful to my friends Zareen Hussain and Javed Ghaffar for always being very helpful. My sincere thanks are also due to fellow Research Scholars for their stimulation, support and good wishes.

I am indebted to my family members who have been a constant source of encouragement and moral support for my academic accomplishment. Last but not the least, I would like to thank my father and mother for teaching me to work hard and believe I could do anything.

(Shahid Mushtaq)
