ACKNOWLEDGEMENTS

For any soul in this universe, the first and foremost teachers are parents. I express my sincere gratitude and salutations to my parents Smt. C. Prema Kumari and Sri. C. Raghavendra Rao, for their blessings and ever lasting encouragement and support till to day.

Next to parents are the teachers who strive hard to bring up their students and ladder them to come up in their lives. It is not a days’ task to reach to the level of achieving doctoral degree. This is an opportunity for me to express sincere gratitude to all my teachers, lecturers and professors who taught different subjects throughout my educational career.

My sincere gratitude is due to Dr. V.V. Muniswamy, Principal, Swetha Institute of Technology & Science for Women, Tirupati for his suggestion and motivation towards research and valuable guidance throughout this research work.

I express my profound sense of gratitude and indebtedness to Dr. K. Prahlada Rao, Vice Principal & Professor of Mechanical Engineering, JNTUA College of Engineering, Jawaharlal Nehru Technological University Anantapur, Anantapur (A.P) for his valuable guidance, best suggestions both in research and academic career, constant support and encouragement in each of my steps towards completion of this work.

Heartleft thanks to Dr. A. Anand Rao, Principal, JNTUA College of Engineering, JNTU Anantapur, Anantapur (A.P) for his support and help.
My sincere thanks to **Dr. P.S. Ramakrishnudu**, Dean, Rayalaseema School of Engineering & Research, Tirupati for his valuable suggestions and help during preparation of the thesis.

I am indebted to **Dr. P. Raghavulu**, Principal, Shree Institute of Technical Education, Sri Kalahasti for his valuable suggestions and friendly advices during thesis preparation.

I express my sincere gratitude to **Sri. S. V. Subbaiah**, former Secretary of Sri Balaji Educational society, Puttur for his help during admission into Ph D program.

My sincere thanks to **Dr. K. Ashoka Raju**, Chairman, Siddharth Institute of Engineering and Technology for his financial help to carry out this study during my tenure of service in his organization.

My gratitude is due to my present employers **Sri K.L.N. Moorthy** (President), **Sri. R. Bhaskaran** (Treasurer), **Sri. P. V. Ramana** (Joint Secretary), **Sri. P. Lakshmi Narayana** (Director) and **Sri. S. Muni Subramanyam** (CEO) of Seshachala Institute of Technology, Puttur organized by Sri Balaji Educational Society for their help and encouragement in all respects.

My Sincere thanks to **Sri. K. Vijaya Naidu**, Vice President (SCM), Amara Raja Batteries Limited (ARBL), Tirupati for his help in providing data for my research work. Also I thank the technical staff of SCM division, ARBL for their help and support in gathering technical information.
I express whole hearted gratitude to my better half Smt. Dr. R. Anuradha and my son Chi. C. Vishnu for their cooperation and support at home in successful completion of my research work.

I also thank my younger brother Dr. C. Sridhara Rao for his help in carrying out statistical analyses. My sincere thanks to my sister Mrs. C.R. Sathyavathi, brother-in-law Mr. R.V. Sudheendra Prasad and my youngest brother Mr. C. Dhananjaya Rao, for their moral support and encouragement.

At the end I express my sincere thanks to one and all who have directly and indirectly helped me a lot throughout the duration of my research work.
