ACKNOWLEDGEMENT

It is indeed true that accomplishment of any goal calls for hard work, sincerity and dedication, but such an accomplishment of goal becomes achievable and falls within one’s reach if one proceeds with proper method and right direction. Firstly, I would like to express my sincere gratitude to my guide Prof. M. R. Yadav, Dean, Faculty of Pharmacy, The Maharaja Sayajirao University of Baroda, for his continuous support and motivation throughout my Ph. D. study along with his patience, motivation, and immense knowledge. His guidance helped me during time of research and thesis writing. His truly scientific intuition has made him as a constant oasis of ideas and passions, which exceptionally inspired and enriched my growth as a student and researcher.

I convey my deepest gratitude to Late Prof. Rajani Giridhar, Faculty of Pharmacy, for her moral support, valuable advice when and wherever required and unbound love during the course of the study.

I feel great to express my deepest sense of gratitude and special thanks to Dr. Prashant R. Murumkar, Asst. Prof., Pharmaceutical Chemistry, Faculty of Pharmacy, The Maharaja Sayajirao University of Baroda, for his continuous and constant encouragement throughout my research work and scientific writing.

I am also grateful to Dr. S. P. Rathod, Co-ordinator, G. H. Patel Pharmacy building, The Maharaja Sayajirao University of Baroda, for providing the necessary facilities during the course of the work.

I take this opportunity to express gratitude and appreciate selfless support and suggestion by Dr. Anand Mantri and Dr. Palesh Pal, Omegen life science, Vadodara for helping out in my research work.

My special thanks go to Jatin Macchi for carrying out the biological studies during my research work. I am thankful to Jigar thanki and Kaushik Shingala for contributions during their M. Pharm. Projects

Collective and individual acknowledgments are also owed to lab mates whose presence somehow perpetually refreshed, helpful, and memorable. Many
thanks goes in particular to Neetesh Agrawal, Rahul Ghuge, Mayank Kumar Sharma, Atul khadse, Mahesh Barmade, Dushyant patel, Nirav Patel, Navneet Prajapati, Ashish Kanhed, and Abhijeet Pandey for sharing my good and bad times with constant support and encouragement. I am also thankful to my seniors Dr. Vijay Pawar, Mr. Riyaj Tamboli, Dr. Anshuman Sinha, Dr. Hardik Gandhi, Dr. Prashant Naik, Dr. Yogesh Kumar and Dr. Kailash Petkar and friends Karan Mittal, Rahul Chaudhary, Rahul Dhande, Riddish Patadia, Mohit Mahajan and Rohan Ialani.

I am also thankful to Mr Pradip Sarkate for providing LS-MS-MS data. Analytical facilities provided by Dr. Vikram Sarabhai Research Centre, The M. S. University of Baroda, Vadodara.

I express my thanks to Pramod bhai, Nagin Bhai, Pravin Bhai, Jagdish Bhai, Mr. Pragnesh, Mr. Chanrkant Bhai, Mrs. Heena and Mrs. Vaishali, non-teaching staff of Pharmacy Department for their co-operation during the course of the work.

The financial assistance provided by UGC, New Delhi, in form of UGC-BSR-RFSMS is humbly acknowledged.

My parents deserve special mention for their support and prayers. My mother, who sincerely raised me with her care, love and constant source of inspiration. My Father who put the fundament of learning character in me and supported to pursue my educational carrier. I owe so much to my brother in law Mr. Ramashewar Mache and my sister Kranti Mache for their constant encouragement and support throughout my life. I express my deepest sentiments of affection and regards to them for whatever I am today.

I would like to thank everybody who directly or indirectly involved in the successful completion of this thesis, as well as expressing my apology that I could not mention personally one by one.

Finally, Thank to almighty for his blessings on me forever.................
