ACKNOWLEDGEMENT

First of all I pay all my homage and designate my emotions to the lord almighty whose blessings promote me to accomplish this interesting task. This task required effort from many people without them it would not have been completed.

From the bottom of my heart. I would like to thank my guide Dr. Jayantibhai A.Chaudhari, Associate Professor in Chemistry at Shri R.K.Parikh Arts and Science College, Petlad who has inspired me with keen interest and ever vigilant guidance without which this task could not have been achieved. He has not only guided me but also acted as a co-traveler throughout my research work. It is the result of his unfailing efforts and meticulous training that today I have reached my destination.

I express my sincere thanks to Dr. V.S. Joshi, Principal of Shri R.K.Parikh Arts and Science College, Petlad and Management of Petlad Education Trust, Petlad for providing me necessary research facilities to carry out this work at the college laboratory.

I am also to Dr. D.D. Agrawal (Vice-Chancellor of J JT-University-Rajasthan), Dr. Monalisa Boruah (PhD Coordinator of J JT-Univ.-Rajasthan), Dr. R.T.Jasrai(Head, Chemistry Department, Petlad) who provided me all kind of moral support that I needed to carry out my this research work.

I am equally thankful to all the teaching and non-teaching staff members of the Chemistry Department, Shri R.K.Parikh Arts and Science College, PETLAD to boost my moral.

I am very much grateful to my beloved parents Mr. V.J.Talaviya and Mrs.M.V. Talaviya and my brother Mr.Kalpesh Talaviya and my wife Rupal for their kind affectionate co-operation during the entire research work and in beautifying the presentation of work in the form of Thesis.

I am thankfully remember all well wishers who have helped me directly or indirectly during my research work.

Purav Talaviya
