ACKNOWLEDGEMENT

My humble gratitude to GOD ALMIGHTY for His grace and blessings on me

I owe my sincere thanks to Thiru T.K.Meenakshi Sundaram Anna, Chancellor, Dr.Sheela Ramachandran, Vice Chancellor, Dr.Saroja Prabhakaran, Former Vice Chancellor and Dr.Gowri Ramakrishnan, Registrar, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for their constant support and providing the necessary facilities to carry out the study.

With deep reverence, I extend my profound gratitude to Dr.R.Parvatham, Dean, Faculty of Science, Professor and Head, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for her encouragement, support and valuable timely suggestions.

I acknowledge the timely help and suggestions given by Dr.G.P.Jeyanthi, Controller of examinations, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore.

With utmost sincerity and deep reverence, I extend my profound gratitude to my beloved guide, Dr.P.R.Padma, Professor, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, who had been a guiding star and enabled me to reach my destination. Her meticulous effort and time spent to materialize my study is invaluable. It has been a blessed opportunity to work under her esteemed guidance. I owe the entire credit of my work to her without whom it would not have seen the light.

A special note of gratitude to Dr.S.Saroja, Former Professor and Head, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam University for Women, Coimbatore, who has been a great source of inspiration, motivation and strength for me in my study.

I place on record my sincere thanks to each and every faculty member in the Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Institute for
Home Science and Higher studies for Women, Coimbatore for their criticism and suggestions in carrying out the study.

I am immensely grateful to Ms.V.Sharulatha, Assistant Professor, Department of Chemistry, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her help in the analysis and interpretation of the spectral data.

I wish to acknowledge the help rendered by Ms.P.R.Lakshmi of Webnet Media of Computers, for her untiring help in editing the final draft of the dissertation amidst her very busy schedule.

I gratefully acknowledge the Women Scientist Scheme-A, (DST) for providing the financial support to carry out my work.

I am greatly indebted to all my fellow researchers in our research group – Dharani, Sharmila, Sivaprabha, Yamuna, Mohana, Sivapriyadarshni, Sonia, Sreenidhi and Saradhamani. I express my sincere and heartfelt thanks to my friends Haniya and Kiruthika and every member of our research group for their sisterly love and affection throughout my academic career and for their excellent criticism, timely advices, selfless help and constructive suggestions rendered at various stages of the study.

On a personal note, I place on record my deepest gratitude and appreciation to my beloved parents and all my dearest relatives for their blessings, valuable prayers and constant encouragement. Thanks for the support and cooperation rendered by my little daughter Thara throughout my academic career. I am also thankful to all my well-wishers who have in any manner contributed directly or indirectly to the successful completion of this research work.

Radha Palaniswamy
