### CHAPTER 1 : INTRODUCTION  
1 - 38

1.1. Statement of the Problem : 1
1.2. The Study Area : 8
1.3. Objectives : 10
1.4. Research Questions : 10
1.5. Significance of the Study : 11
1.6. Database and Methodology : 12
   1.6.1. Selection of study area : 12
   1.6.2. Extraction of base layers of maps collected from different sources : 13
   1.6.3. Extraction of layers from satellite images : 13
   1.6.4. Other datasets used in the study : 14
   1.6.5. Primary Data Collection : 15
   1.6.6. Data Analysis : 16
1.7. Review of Literature : 19
   1.7.1. Characteristic and setting of an urban area : 20
   1.7.2. Urban Sprawl and its impact : 21
   1.7.3. Controlling the Sprawl: Role of Green Belt : 23
      1.7.3.1. Green Belt to address the local level implications of variations in the climatic variables : 25
   1.7.4. Use of GIS and Remote Sensing in in the study of Urban Sprawl : 27
   1.7.5. Site Suitability Analysis : 29
   1.7.6. The Study Area in Research Studies : 30
**CHAPTER 2 : BACKGROUND: HISTORICAL AND GEOGRAPHICAL**

1. **Organization of the Study** : 32

2. **Jorhat Town through the History** : 39
   1. The advent of the Ahoms : 39
   2. Jorhat in the Moamari Rebellion : 39
      1. Derivation of the name Jorhat : 40
      2. British making an entry : 40
   3. Jorhat during Burmese Invasion : 41
   4. End of Ahom Kingdom and advent of the rule East India Company in Jorhat : 42
   5. Jorhat as the Last Ahom Kingdom and last region to be colonized by the British : 43
   6. Change of Administrative set up of the Town during different years : 44

3. **Geographical Characteristics of the Study area** : 46
   1. The location : 47
   2. Physiography : 48
   3. Terrain : 50
   4. Slope : 51
   5. Geology : 52
   6. Soils : 52
   7. Drainage : 53
   8. Groundwater : 54
   9. Climate : 55
      1. Rainfall : 56
      2. Temperature : 59
      3. Impacts of recent variations in the climatic variables in the study area : 63
   10. Natural Vegetation : 66
   11. Socio-economic characteristics of the study area : 67
      1. Population : 67
2.2.11.1. Density of Population : 69
2.2.11.2. Composition of Population : 69
2.2.11.3. Age-Sex Composition : 70
2.2.11.2. Literacy : 70
2.2.11.3. Household size and pattern : 71
2.2.11.4. Economic Characteristics : 74
2.2.11.5. Transport and Communication : 75
2.2.11.6. Source of lightning : 76
2.2.11.7. Drinking Water : 77

CHAPTER 3: NATURE AND DIMENSIONS OF URBAN SPRAWL : 82 - 137

3.1. A glimpse to the Urbanization Scenario : 82
3.2. Urban Sprawl in Jorhat Town Area : 83
3.3. Causes of Urban Sprawl : 84
   3.3.1. Population Growth : 84
       3.3.1.1. Population growth in the Urban Area in the district as a whole : 87
       3.3.1.2. Population growth in the Study Area comprising of the Jorhat town and its surrounding areas : 88
   3.3.2. Impact of the number of households : 93
   3.3.3. Impact of social and urban infrastructures : 96
       3.3.3.1. Constructions in different periods (before 1900 - after 1947) : 97
           3.3.3.1.1. Before 1900 : 97
           3.3.3.1.2. During first half of the 20th century : 98
           3.3.3.1.3. After Independence : 99
       3.3.3.2. Roads : 104
       3.3.3.3. Retailing in the Jorhat Municipality Area : 106
           3.3.3.3.1. Distribution of retail establishments : 108
           3.3.3.3.2. Density of retail establishments : 111
           3.3.3.3.3. Pattern of retail establishments : 112
3.3.3.4. Characteristics relating to the people involved in the retail sector and its contribution to the growth of the town

3.3.3.3.4.1. Employment Opportunities

3.3.3.3.4.2. Trend of establishment of the retail shops

3.3.3.3.4.3. Transformation in the Sector

3.3.4. Utilities and Services

3.3.4.1. Distribution of the Utilities and Services

3.3.4.2. Location of the Utilities and Services

3.3.4.3. Density of the Utilities and Services

3.4. Spatial expansion of urban area in the study area

3.4.1. Temporal Changes in spatial expansion of urban area over 4 decades

3.4.2. Direction of spatial expansion of urban area

3.4.3. Pattern of spatial expansion of urban area

3.4.4. Magnitude of urban growth over the 4 decades

CHAPTER 4 : IMPLICATIONS OF URBAN SPRAWL

4.1. Implications of Urban Sprawl

4.1.1. Implication of urban growth on the land use/land cover of Jorhat Town

4.1.1.1. Land Use/Land Cover in the Municipality Area

4.1.1.2. Land Use/Land Cover in one (1) km buffer area of the Municipality boundary

4.1.1.3. Land Use/Land Cover in the Master Plan boundary

4.1.1.4. Land Use/Land Cover in the six (6) km buffer area of the Municipality boundary

4.1.2. Availability of Green Belt

4.1.3. Water Logging and reasons of its proliferation
4.1.4. Garbage Disposal : 148
4.1.5. Traffic Congestion and Air Pollution : 150
4.1.6. Water Scarcity : 152
4.1.7. Heat Wave : 154

CHAPTER 5 : SITE SUITABILITY ANALYSIS FOR URBAN AREA EXPANSION : 159 - 176

5.1. Need for a Site Suitability analysis : 159
5.1.1. Looking into the green belt policy : 160
5.1.2. Understanding implication of climate change : 161
5.1.3. Site Suitability analysis : 163
5.1.3.1. Urban area of 2010 of the study area : 164
5.1.3.2. Buffer zones of certain utilities of the study area for maintaining the ecological balance of the town : 165
5.1.3.3. Categories of existing land use/land cover analysed with elevation : 167
5.1.3.4. Road density : 170
5.1.3.5. Flood Hazard : 171
5.1.4. Output : Site Suitability Analysis : 173

CHAPTER 6 : SUMMARY AND CONCLUSION : 177-194

6.1. Summary : 177
6.2. Conclusion : 183
6.2.1. Observation related to Population Growth inducing Urban Sprawl : 184
6.2.2. Observations related to increasing number of households : 185
6.2.3. Observations relating to Retailing sector in the face of Urbanization : 185
6.2.4. Observation related to expansion of utilities and services : 186
6.2.5. Observation on the spatial expansion of urban area in the study area : 187
6.2.6. Devoid of Regulation : 189
6.2.7. Implications of Urban Sprawl : 189
6.2.8. Site suitability for urban area expansion in the study area

Bibliography : 195-207
Appendices : 208-221
