LIST OF FIGURES

CHAPTER - 1

Fig - 1.1 Location of the study area comprising of Jorhat town and its surrounding areas
Fig - 1.2 Different sources of base layers of maps used in the study
Fig - 1.3 Different types of satellite images used for the study and their sources
Fig - 1.4 Datasets of different types of data used for the study and their sources
Fig - 1.5 Process followed up for collection of primary data
Fig - 1.6 Methodology followed up for analyzing spatial expansion of urban area in the study area during 1974-2010 (Black boxes indicating the results)
Fig - 1.7 Methodology followed up for studying Site Suitability Analysis for future growth of the town (Black boxes indicating the results)

CHAPTER - 2

Fig - 2.1 Base map of the study area
Fig - 2.2 Map showing physiographic divisions of the study area
Fig - 2.3 Map showing terrain features of the study area
Fig - 2.4 Map showing slope of the study area
Fig - 2.5 Map showing drainage of the study area
Fig - 2.6 Map showing ground water prospects of the study area
Fig - 2.7 Graph showing trend of annual mean and seasonal mean (rainy and dry season) rainfall recorded at Toklai, Jorhat (1970-2014)
Fig - 2.8 Graph showing yearly total rainfall (1925-2013), Toklai, Jorhat
Fig - 2.9 Graph showing percentage occurrence of thunder storm and rainfall over North-East India during 1951-1980
Fig - 2.10 Graph showing trend of annual maximum mean and seasonal maximum mean (rainy and dry season) temperature recorded at Toklai, Jorhat (1970-2014)
Fig - 2.11 Graph showing trend of annual minimum mean and seasonal minimum mean (rainy and dry season) temperature recorded at Toklai, Jorhat (1970-2014)

Fig - 2.12 Yearly average minimum temperature at Toklai, Jorhat (1925-2013)

Fig - 2.13 Total number of days having > 35°C temperature (1924-2013), at Toklai, Jorhat

Fig - 2.14 Total number of days having ≤ 6°C temperature (1924-2013), at Toklai, Jorhat

Fig - 2.15 Map showing vegetation type in the study area

Fig - 2.16 Decadal variation in population of Jorhat district with respect to the state of Assam, 1901-2011

Fig - 2.17 Population and households in the study area with respect to the district total, 2011

Fig - 2.18 Growth of population in the study area of Jorhat town and its surrounding area

Fig - 2.19 Density of population in the Jorhat Town and the surrounding areas (1991-2011)

Fig - 2.20 Percentage of different households in the Jorhat town and its surrounding areas, 2011

Fig - 2.21 Roof pattern of the households in the Jorhat town and its surrounding areas, 2011

Fig - 2.22 Wall pattern of the households in the Jorhat town and its surrounding areas, 2011

Fig - 2.23 Floor pattern of the households in the Jorhat town and its surrounding areas, 2011

Fig - 2.24 Main sources of lighting in the Jorhat town and its surrounding areas, 2011

Fig - 2.25 Percentage of households with different sources of drinking water in the Jorhat town and its surrounding areas, 2011

Fig - 2.26 Location of drinking water source in the Jorhat town and its surrounding areas, 2011
CHAPTER - 3

Fig - 3.1 Growth of total urban area and its population in Jorhat district (1971-2011)
Fig - 3.2 Population and Households in the total urban area in Jorhat district (1991-2011)
Fig - 3.3 Total Population of the Jorhat town and its surrounding areas (1991-2011)
Fig - 3.4 Population the Jorhat town and its surrounding areas (1991-2011)
Fig - 3.5 Population shared by the urban areas as defined by the Census of India, 1991 – 2011
Fig - 3.6 Population Density in Jorhat town and its surrounding areas (1991-2011)
Fig - 3.7 Population in the urban areas (Municipality/Outgrowth/Census Towns) as compared to the total population of the study area, 1991-2011
Fig - 3.8 Main Working Population of Jorhat Town and its surrounding areas, 2011
Fig - 3.9 Number of households Jorhat town and its surrounding areas (1991-2011)
Fig - 3.10 Households Density Jorhat town and its surrounding areas (1991-2011)
Fig - 3.11 Number of Households shared by Municipality/Outgrowth/Census Towns of the study area, 1991-2011
Fig - 3.12 Households in the urban areas (Municipality/Outgrowth/Census Towns) as compared to the total households of the study area, 1991-2011
Fig - 3.13 Growth of population and area in the Jorhat Municipality Area, 1901-2011
Fig - 3.14 Extent of Municipality Boundary with respect to Urban Hub area of 2010
Fig - 3.15 Development of road transport in the different Five Year Plans in Jorhat
Fig - 3.16 Road Density in the Study Area of Jorhat town and its surrounding areas
Fig - 3.17 Ward wise total retail establishment in the municipality area in 2004 and 2011 as per the registered in the Jorhat Municipality Board
Fig - 3.18 Ward wise distribution of retail establishment in the municipality area in 2004 and 2011
Fig - 3.19 Highest share of Trades in the Retailing sector of Jorhat Municipality Area, 2011
Fig - 3.20 Density of Shops in the Jorhat Municipality Area, 2011
Fig  -  3.21  Employment Opportunities and range of Employee in selected trades
Fig  -  3.22  Retailers by Age-group
Fig  -  3.23  Number of Shops in different decades
Fig  -  3.24  Major services and utilities in the Jorhat town and its surrounding areas
Fig  -  3.25  Location of utilities and services of different sectors in the Jorhat town
Fig  -  3.26  500m Buffer Area of services /Utilities in the Study area
Fig  -  3.27  Concentration of different Services /Utilities with their 500m buffer area in the study area of Jorhat town and its surrounding areas
Fig  -  3.28  Density of utilities and services in the Jorhat town and its surrounding areas
Fig  -  3.29  Spatial Expansion of Urban Built-Up Area of Jorhat town during 1974-2010
Fig  -  3.30  Changes in the spatial expansion of urban area of the Jorhat town (1974-2010)
Fig  -  3.31  Density of Urban Area in different zones (1974 – 2010)
Fig  -  3.32  Combined densities of roads and utilities in Jorhat Town (1974 – 2010)
Fig  -  3.33  Spatial distribution of urban area over the years :1974 (b) 1987 (c) 1996 (d) 2000 and (e) 2010 as indicated by percentage density of built-up area
Fig  -  3.34  Percentage Density of urban area over distance and time (1974,1987,1996,2000 and 2010)
Fig  -  3.35  Expansion of the built up area in the study area in 2005 and 2013

CHAPTER - 4

Fig  -  4.1  Land Use/ Land Cover of the Study area
Fig  -  4.2  Four categories of area considered for LULC analysis in the study area
Fig  -  4.3  Availability of Green Belt in the study area
Fig  -  4.4  Wastewater outlet connected to drainage in the Jorhat District , 2001 and 2011
Fig  -  4.5  Garbage Disposal in Jorhat Town
Fig  -  4.6  Number of registered motor vehicles in Jorhat District
CHAPTER - 5

Fig - 5.1  1.5 km buffer area of the delineated Urban Hub and its density of services and utilities, 2010

Fig - 5.2  Different buffer areas considered for different services and utilities for Site Suitability Analysis

Fig - 5.3  Land Use/ land cover and elevation considered for the Site Suitability Analysis

Fig - 5.4  Road Density in the Study Area

Fig - 5.5  Flood Hazard Zones with their buffer areas in the Study area

Fig - 5.6  Site Suitability Analysis for urban area expansion in the study area
