Accepted

9. Antioxidant flavonoid glycosides from Evolvulus alsinoides Manmeet Kumar, Ausaf Ahmad, Preeti Rawat, Naila Rasheed, Prasoon Gupta, Sathiamoorthy B., Gitika Bhatia, Gautam Palit, Rakesh Maurya. (On line Accepted in Fitoterapia FITOTE-01892)

11. Phenolic glycosides from Dodecadenia grandiflora and their glucose-6-phosphatase inhibitory activity. Manmeet Kumar, Preeti Rawat, Mohammad Faheem Khan, Akhilesh K. Tamarkar, Arvind K. Srivastava, Kamal R. Arya, Rakesh Maurya (On line Accepted in Fitoterapia FITOTE-01944;)

12. Effects of Methoxylated Daidzeins, Cladrin and Formononetin on Osteoblast Function, Peak Bone Mass Achievement and Bioavailability" by Gautam, Abnish; Bhargavan, Biju; Singh, Divya; Tyagi, Abdul; Srivastava, Kamini; Yadav, Dinesh; Kumar, Manmeet; Akanksha, Sharan, Jay; Singh, Amar; Sanyal, Sabyasachi; Manickavasagam, Lakshmi; Singh, Sheelendra; Wahajuddin, Wahajuddin; Jain, Girish; Maurya, Rakesh; Chattopadhyay, Naibedya (accepted Journal of Nutritional Biochemistry).

13. A Standardized Fraction From the Stem-Bark of Butea monosperma Have Non-Estrogenic Osteoprotective Action: Evidence for Its Osteogenic Rashmi
Annexure I
Publications, patent and posters

15. 8,8”-Biapigeninyl Stimulates Osteoblast Functions and Inhibits Osteoclast and Adipocyte Functions: Osteoprotective Action of 8,8”-Biapigeninyl in Ovariectomized Mice, Jawed A. Siddiqui, Gaurav Swarnkar, Kunal Sharan, Bandana Chakravarti, Gunjan Sharma, Preeti Rawat, Manmeet Kumar, Faheem M. Khan, Dominique Pierroz, Rakesh Maurya, Naibedya Chattopadhyay (On line, Molecular and Cellular Endocrinology accepted).

Participated Symposia:

Annexure 1

Publications, patent and posters

- International Herbal Conference “Herbal Medicine-Evaluation of Quality, Efficacy and Safety” at Bangalore, India from 26th to 28th February, 2009.

Communicated

- Quercetin C-Glucoside Isolated from Ulmus Wallichiana is More Potent than Quercetin in Inhibiting Osteoclastogenesis and Mitigating Ovariectomy-induced Bone Loss in Rats, Jawed A. Siddiqui, Kunal Sharan, Gaurav Swarnkar, Preeti Rawat, Manmeet Kumar, Lakshmi Manickavasagam, Rakesh Maurya and Naibedya Chattopadhyay (Communicated).
