Acknowledgement:

I am exceedingly thankful to a number of people without whose constant, kind aid, effort and co-operation this thesis would not have materialized.

I am immensely indebted to my Supervisor Dr. Ruby Sain, Head, Department of Sociology, Jadavpur University for her right guidance, constant help, support, and encouragement.

I have drawn immensely from the Central Library of Jadavpur University, the National Library, Kolkata, the library of the Centre for Studies in Social Sciences, Patuli, the American Centre Library, the library of Rani Birla Girls’ College. I would take the opportunity to thank the library management and staff for their co-operation.

My effort was augmented by the constant motivation and support in all terms as provided by my parents, Mr. Tushar Sinha and Mrs. Tanushree Sinha.

I would express my gratitude to the staffs of The Bureau of Applied Economics and Statistics, Government of West Bengal, who have assisted me immensely with the Census details.

This acknowledgement would be incomplete if I do not express gratitude to my respondents, who have been patient enough to answer to all my queries.

My dear students also have been a great source of assistance throughout this journey.
