ACKNOWLEDGEMENTS

I consider myself blessed enough to have had the privilege of working as a research student under the honourable guidance of Prof.(Dr.) M. D. Teli, B. Sc. (Hons.), B. Sc. (Tech), Ph.D.(Tech.), F.T.A., Professor of Textile Chemistry and Former Head of The Department of Fibres &Textile Processing Technology, (I.C.T.). During the course of my work his insight, logical way of thinking and knowledge helped me understand even the minute details that I might have missed out. His words of encouragement have uplifted my spirit in times of distress. His way of thinking towards the life & ethical teachings definitely help me to become a successful person in life. I am grateful to him and his family (Mrs.Menka and Ms. Shraddha Teli) for their support and encouragement throughout the ten years of my life at ICT.

I thank Prof. (Dr). Ravindra V. Adivarekar, Head, Dept. of Fibres and Textile Processing Technology, ICT, Mumbai, for sharing his ideas about my work and their advantages and limitations. I would also like to thank other faculty members Prof. (Dr.) S.R. Shukla, Dr. Usha Sayed, Dr. R.D. Kale, Dr. Sujata Pariti for their moral support throughout my 9 years journey in I.C.T.

I would like to gratefully acknowledge UGC (SAP) for the fellowship which acted as the Samaritan to keep me financially sound throughout my Ph.D.

I would like to express my thanks to my seniors Prabhu, Santosh, Nilesh, Pankaj who practically helped me in my experiments and giving me a wider look towards my work. I would like to also express my gratitude to Mr. Gaikwad who would at all times be there to carry out analysis of samples. I would also acknowledge to the non-teaching staff especially Singhji, Ankush, Subodh, Janardan, Damleji, and Rajam.
I would like to express my thanks to Amritlal Dyestuffs limited, Clariant (India), Pidilite Industries, Aarti drugs for providing the dyes/auxiliaries for my project. I would like to express my sincere gratitude to ICON labs, I.I.T. (Mumbai), Department of chemical engineering (I.C.T.) for assistance in analysis of my samples at concessional rates.

I unveil my warm and cozy thankfulness to my project students especially Maruti, Akshay, Indrajit, Chandni, Khushbu, Pragati and Priyanka because of whom I got an opportunity to work on other important research areas. Last but not least, I owe a lot to my family especially my sister and brother-in-law who always encouraged me to pursue my studies with full of zeal and zest, for their unpriced love, support and patience without which it would have been difficult to see the light of the day.
