ACKNOWLEDGEMENT

The successful completion of this research work prompts me to acknowledge the help, unbounded support, constant inspiration and guidance of all those who become instrumental in bringing it to its present form.

It is my cherished privilege and honour to express my deep sense of indebtedness to my esteemed supervisor and guide, **Dr. Joginder Singh Rana** Associate Professor, State College of Education, Patiala who proved to be beacon Guide to me. I offer my heartiest gratitude for his constant inspiration, sympathetic attitude, critical comments, concrete suggestions, untiring pains and keen interest throughout the tenure of present investigation.

I offer my sincere thanks to Dr. Kulwinder Singh Reader, Department of Education and Community service, Punjabi University Patiala who rendered me each and every available help in improving the quality of the study throughout the entire span of investigation whenever I visited him. His understanding nature and intellect is wonderful gift to our faculty.

I would like to acknowledge Head, Department of Education and Community Service, Prof. Meenakshi for her contribution.

I am at the loss to find words too complementary to acknowledge the help and inspiration rendered by my respected Husband Mr. Kapil Loona who always stood by my side in the deep waters of challenging situations. He provided encouragement whenever I needed
it, and bore the burdens of family demands when I could not fulfill them.

With whole sincerity and affection a lot of thanks is extended to my respected father in law Mr. Mathra Das Loona and Mother in Law Mrs. Asha Loona for her moral support and self concern, it will be always unforgettable for rest of my remaining life, all whatever they have done for me providing motherly love, warmth and care to my little children and attending household chores in my absence.

I express deep love and affection from the core of my heart to my loving child Aarush Loona (3) and also feel very sorry for not caring them being busy in this research work. I have deep regret at my heart for those innocent creatures who have to live without motherly love, affection and care when they were in desperate need of it. Some times their interruptions have been a frequent relief when the task has grown heavier and their curiosity and enthusiasm is a constant reminder of just how remarkable our existence is.

It will never be possible for me to pay for the sacrifices of my brothers Mr.Mukesh Kamra, Mr.Amardeep Kamra, Mr.Rajdeep Kamra, Mr.Sandeep Kamra, Mr.Nakesh Kamra and My Bhabi’s Mrs.Geetianjali and Mrs. Dimple who always encouraged, helped and supported me at every moment of my life. They will be very happy and satisfied in their heavenly abode today because it was their cherished dream to see me reaching at the peak of my career. So this investigation is homage to the departed souls because whatever I am today is because of them.
I am immensely grateful to my Sister in Law Neetika Loona for their social and moral support in my life during accomplishment of this research work. Their role in my life and career is inexpressible in words. My love, affection and blessings to my loving niece Rupashi and nephew Arman Kamra and Gorish Kamra whose just presence always energized me during my hectic schedule.

Whole hearted thanks to those persons who have given me full cooperation in collecting data for the present study.

MG Computer Centre (Near Deep Hospital), Patiala deserves special thanks for typing the dissertation with great patience, skill, efficiency, precision and creative thought.

In the end I am grateful to Almighty God for his uninterrupted blessings.
