Acknowledgement

Though we thank the supreme power daily but I feel deeply blessed when I see my hard work and the blessings of supreme almighty and my elders materializing.

I feel greatly privileged to accept this opportunity to acknowledge the much valuable contribution of my teachers, elders and well wishers.

It is with a deep sense of gratitude that I take this opportunity to express my sincere thanks to my honourable and learned teacher & guide Dr. R. S. Sethi, MD, DCH, Associate Professor, Department of Pediatrics, MLB Medical College, Jhansi. A brilliant physician, dynamic personality and eminent academician. It is my proud privilege to have been associated with and remain under his constant vigilance. The joy and experience of working under his guidance is really something out of this world. His invaluable suggestions, constructive criticism, meticulous attention to detail and authentic corrections have made this work possible. It is virtually impossible to express in words my deep sense of indebtedness and profound gratitude to him.

I extend my warm gratitude to Dr. Anil Kaushik, MD, Associate Professor & Head, Department of Pediatrics, MLB Medical College, Jhansi. A man much appreciated by every one for his dynamic and zealous personality, very helping, very encouraging and very understanding nature.

I feel a sense of deep obligation towards my co-guides Dr. A.K. Gupta (MD) Professor & Head, Department of Radiology, MLB Medical College,
Jhansi & Dr. (Smt.) Ratna Saxena MD, Associate Professor, Department of Pathology, MLB Medical College, Jhansi, for excellent guidance and unlimited help at every juncture, without which it would have not been possible for me to complete this study.

About Dr. (Smt.) Sheela Longia, MD, Professor and Ex HOD, Department of Pediatrics, MLB Medical College, Jhansi, the more said is less. Her affectionate guidance, invaluable support and keen interest have helped me immensely. The constant encouragement offered by her was the source of strength that enabled me to trod forward over the obstacles.

I am extremely grateful for Dr. Lalit Kumar, MD, DCH, Associate Professor, Department of Pediatrics, MLB Medical College, Jhansi, whose dynamic personality, meticulous attention to details, very practical approach, uncompromising principles, wise concrete suggestions guided me to carry out my work.

My acknowledgements are due to Dr. B.L. Verma, Associate Professor, Department of S.P.M., MLB Medical College Jhansi, who provided me with all the necessary guidance in solving the uncomplicated statistics.

I would like to especially offer my thanks to best part of my life that is my wife 'Ritu' without her moral support and encouragement this manuscript could not have been as it is in the present state. She helped me in every possible way to achieve the goal of my life.
I am indebted to my parents and family members for their inspiration, moral support, love and encouragement throughout my studies, without which I would never have been able to complete this work.

I would like to thanks Dr. Anjul Srimali, Dr. Om Shankar Chaurasiya, Dr. Deepak Gupta, Dr. Jarj Vikram Singh, Dr. Sunit Pathak, Dr. Dharamveer who always gave me constant support and moral boosters for completing this assigned job.

To all my friends, colleagues and juniors for helping me by providing encouragement, helping me out of odd hours and sincere criticism at appropriate places.

I always thanks to Mr. Vinod Kumar Raikwar (V.K. Graphics) who completed the thesis work nicely within time.

My special thanks to Dr. S.K. Roosia and Mr. Bishan Lal, Library Incharge, for his kind support.

Lastly not the least, I bow my head to all the infants and their parents who have formed the material for this study with a hope to contribution a drop in the vast ocean of present knowledge.
