Acknowledgement

I gratefully acknowledge my deep sense of gratitude to all who provided help and support to me during the course of my research work. I invariably feel short of words to express my heartfelt gratitude and deep indebtedness to Dr. Shaukath Ara Khanum my supervising guide for her efficient guidance through the awesome path of research with great patience. Her constant encouragement, fruitful discussions and valuable suggestions at different stages were really a great inspiration. She is truly a “Guru” for me in the calmness of mind, hard work and patience towards others.

The help and useful advice offered by the faculty members, Prof. Lokanatha Rai K. M DOS Chairman, Prof. Yathirajan H. S BOS Chairman, Prof. Nagaraja Naik Doctoral Committee Member MGM, University of Mysore at times when I was confronted with chaos and confusion had been of much value and I am grateful to all of them for their kind heartedness.

I would like to express my deep gratitude and heartfelt thanks to Prof. Othbert Pinto, PG Department of Chemistry, Rev. Fr. Leslie Moras the Principal, the management of St. Philomena’s College Mysuru
for providing the necessary advice and facilities for carrying out my research.

The support of **Dr. H. Nanjegowda**, the Principal Yuvaraja’s College, Mysuru in the whole stages of research, was of immense help and I am extremely thankful to him for the same.

I recall with gratitude the selfless help and involvement of my lab mates **Dr. Bushra Begum, Dr. Lakshmi Ranganath V, Dr. Gurupadaswamy H. D, Dr. Girish V, Mr. Prashanth T, Mr. Naveen P, Mr. Mohammed Al-Ghorbani, Mr. Zabiulla, Mr. Yasser Hussein Issa** at different stages of my work.

My friends were the chief contributors to what all I had been able to do as part of research and I am heavily indebted to all of my friends in the Department of Chemistry, various other departments of research institutions.

I am happy to acknowledge the services of **Jubilant**, Noida for the help in sample analyses.

A special thanks to a person who helped me to carry out the biological evaluation of my synthesized compounds. **Rekha N. D**, Department of studies in Biotechnology, JSS college of Arts, commerce and science, Mysuru.

I express my heartfelt gratitude to my respected parents for their love, affection and encouragement.
Above all, my praises are due to God, without the grace of whom the whole episode would have had reduced to nothing.
