

Acknowledgement

First of all, I want to thank my guide **Dr. Dharmesh J. Shah** sir, Director, Shruj LED Technologies, for their guidance and encouragement in the development and preparation of this dissertation. Without them this thesis would not exist. He always provided a motivating and enthusiastic atmosphere to work with; it was great pleasure to do thesis under his supervision.

I would like to acknowledge all the people whom I met during this 5 years and participated at any point in the work of thesis. I would also like to thank the staff members and my colleagues who were always there in the need of the hour and provided with all the help and facilities, which I required, for the completion of my thesis.

Most importantly, I would like to thank my family for providing constant support, encouragement, and love. They act as an inspiration to me in all that they do.

Yours Sincerely,

Vanaraj B. Vaghela
