ACKNOWLEDGEMENTS

Conducting research work is not an easy task. It requires of a number of individuals who have in some way or other made it possible to undertake this research project. Sentiments of my heart when woven into words could seldom convey what I truly wish to express to each one of them.

Special thanks are due to the research board of Banasthali University for giving me the opportunity to undertake this study. Thanks are due to authorities of various schools and all respondent children and their parents who co-operated in this work.

After completing this research work, I feel myself indebted to late Prof. Diwaker Shastri (Dada) who was a role-model for many like me. He has been instrumental in providing platform for carrying innovative work in Vidyaapith, particularly for the women researchers. I express my gratitude to Prof. Aditya Shastri, Vice Chancellor, Banasthali University and Prof. Ina Shastri, Pro. Vice Chancellor, Banasthali University who permitted and helped me in this research work.

During the entire length of this work, I was greatly encouraged by Dr. Indu Bansal, Professor and Dean, Faculty of Home Science, Banasthali University, Rajasthan. The abundant enthusiasm and all with which she solved my difficulties will be remembered with plentiful gratefulness. She had been caring affectionate and constructive in making this research work feasible.

I record my since thanks to my Father Shri. Sureshpal Singh and my Mother Smt. Munesh Chaudhary and Grandparents Mansa Ram Singh for their constant blessing, affection persistent encouragement and cooperation throughout my academic exploration.

I am also highly thankful to my beloved Elder Brother Bijendra Khokher & Bhabi ji Ruby Khokher, and Younger brothers Gaurav Khokher and Sandeep Chaudhary, my lovely niece Yaksvi Khokher who always cooperated with me, with love and care in all my pursuits.
I am deeply grateful to my best friends Priyanka Singh, Mayanka Singh, Prof. Ramesh Bhardwaj, Rakh Maan, Kanchan Singh, Nisha Singh for giving me the confidence to explore my research interest and for standing by my side, even when I was irritable and depressed. She has been very affectionate to me never grudged my intrusion into her time and always extended warm hospitality. Thanks are due to my colleagues and friends for their good counsel. I am thankful to all those who rendered timely assistance to me whenever solicited.

Last but by no means least, candid thanks to all my loving friends for their co-operation on and support throughout my Ph.D. programme. The researcher wants to take advantage of this opportunity to thank those scholars whose works have been consulted work have been created, for their contribution, through their researches their conclusions and their theories.

Thanks are due to authorities of various schools and all respondent children and their parents who co-operated in this work without which this could have been a dream only.
