My unfortunate is that my Baa is not present to see my this happy moment…I Really miss you a lot Baa.

How can I forget cute TUSYA…. by seeing his face I was getting a better mood with a better luck..... I am extremely fortunate in having the best of family that God could provide on this earth.

I find it difficult to pen down my deepest sense of indebtedness towards my better half DIVYA. Who always stood by my side and has taken me to dizzy heights of optimism out of the bouts of my frustration. Who soulfully provides me his constant unconditional support and the right impetus to undertake the challenge of this proportion like all other spheres of life, for what I cannot measure but treasure. She believed in me before I believed in myself. She never complained in spite of all the difficulties during this phase.
I am again thankful to my mother in law, father in law, Hiteshbhai and Bhabhi for their unflagging love, affection and endless support and prayers. Thanks for their love and encouragement. I owe my warmest and heartfelt thanks to them.

I am again thankful to my Brother (Mayank) and Bhabhi for their unflagging love, affection and endless support and prayers. This dissertation would have been impossible without them. Thanks for being my strongest support system throughout my life. Thanks for their love and encouragement and I wish him all the success in his future endeavours.

I solicit my deep sense of appreciation and love to my wonderful Parents Mammy and Pappa and consider myself privileged to have seen an entity of Almighty God in them. It gives me an immense pleasure to dedicate my research work at their feet without whose blessings and vision I would not have been able to achieve this task. Their strong piety and pantheism enabled me to face the world without fear and with pedantic strength.

There was always blessing from Almighty God Maa and Bapa which gave me the strength and tolerance to overcome all the troubles and work smoothly.

MALAY.
