ACKNOWLEDGEMENT

At the very outset, the researcher is grateful to a number of individuals who have helped her in the successful conduct of the study.

The investigator is deeply obliged to Dr. Y.M. Fazil Marickar, Professor and Head, Department of Surgery, S U T Medical College, Vattappara who is her teacher and guide for inspiring her to take up this study and to the support, encouragement, guidance and directions extended to her by sparing his valuable time. In the midst of his multifarious activities and pressing academic and clinical responsibilities, he readily made available to the investigator, his deep scholarship and research expertise and helped her to complete the study with adequate depth and thoroughness.

The investigator acknowledges her indebt gratitude to Dr. Harihara, Retired Principal, Medical College Thiruvananthapuram and Professor B. Leelamma, Retired Director College of Nursing, Thiruvananthapuram for providing facilities for conducting the study.

The investigator owes her thanks to Dr. Jyothi Kamalam, Demography Dept, University campus, Kariyavattom for her timely help and suggestions for completing the study.

The investigator wishes to place on record her heart felt gratitude to Dr Nirmala, Associate professor, Department of Obstetric and Gynaecology, SATH Trivandrum for her scholastic suggestions to complete the study.

Thanks are due to Mr. S. Muraleedharan Nair, MSc, MSc (Lon), Retired Assistant Professor, Department of Clinical Epidemiology, Medical College, Thiruvananthapuram and Mr. Omman. P. Mathew, Research Investigator, Population Research Centre, University of Kerala and Dr. S. Jayadevan Associate
Professor of Statistics Pariyaram Medical College, Kannur for their guidance and help in statistical analysis of the data.

The investigator extends her sincere thanks to Dr Adarsh Vijay for his whole hearted help in completing this manuscript.

The investigator acknowledges with gratitude the support extended by the staff members of libraries of College of Nursing, Thiruvananthapuram, Central Library, Medical College, Thiruvananthapuram, Department of Education, Thycaud and Manipal Academy of Higher Education, Manipal.

The investigator is extremely thankful for the whole hearted co-operation rendered by the Principals and all the students of Cotton Hill Girls H S S and Girls H S S, Malayinkil.

She is deeply indebted to her beloved husband and children for their constant encouragement and patience for the successful completion of the work. She expresses her deepest gratitude to the staff of Urolithiasis laboratory, Mrs Sunitha, Mrs Laila, Mrs Radhika, Mrs Amritha, Mrs Renjitha and Ms Chithra.

Last, but not the least, she wishes to express her sincere thanks to all her colleagues and friends who have been a source of encouragement and immense support during the course of study.

Thiruvananthapuram,
01-02-2008

Suvarnaletha Devi K
