ACKNOWLEDGEMENTS

Any work is practically impossible without motivation, encouragement, proper guidance and support. Hence, before presenting this research work it is my pleasure to acknowledge my gratitude to all those people who have supported me and had their contributions in making this thesis possible.

Foremost in order, I bow to Almighty God, the Supreme and External Power under whose blessings and grace I was enamored to take up this challenging venture and accomplish it prolifically within the stipulated time.

I wish to tender my profound gratitude and indebtedness to my most esteemed supervisor Dr. Vandana Goswami, Associate Professor, Faculty of Education, Banasthali Vidyapith, for her constant encouragement, constructive criticism, affection and kindness, unfailing invaluable and expert guidance in the completion of present work. Her in-depth knowledge of a broad spectrum of different topics has been extremely beneficial for me. It has been an honour to be her Ph.D. student. With her support and invaluable experience, she taught me how to proceed and gave me the key for doing further research. I learnt many things apart from the subject, which will be definitely useful in different phases of my life.

I express my pleasant gratitude to Prof. Aditya Shastri, Vice-Chancellor, Banasthali Vidyapith for providing me all necessary infrastructure and resources to accomplish my research work. He has always been a source of motivation and wisdom.

I am whole-heartedly grateful to all the teachers of the Department of Education, Banasthali Vidhyapith, for their valuable suggestions for construction of tool.

My deep gratitude goes to my venerable teachers Prof. K.C. Vashishtha, Prof. V. Nigam, Prof. A. Pyari, Dr. R.K. Kalra, and Dr. D. Vasanta from Faculty of Education, D.E.I. for their valuable suggestions during the entire research work.
I can never forget **Prof. T.C. Gyanani**, Ex Prof. Faculty of Education, Dayalbagh Educational Institute, for his excellent and effective guidance during the entire research work. He always helped me a lot in data analysis and interpretation.

Beyond the academic world, I must express my heartfelt gratitude for the love and support of my family. This accomplishment could not be achieved without the unconditional love, support and prayers from my family.

I would like to express my gratitude towards my respected and beloved parents **Mrs. Sunita Jain** and **Mr. Mahesh Chand Jain** for their continuous support, blessings and for providing me a good education.

I want to express a very special thanks to my husband **Mr. Amit Garg**, and my in-laws **Mr. R.N. Garg** and **Mrs. Kusum Garg** for their unconditional support and cooperation. I would like to thank my son **Master Arya Garg** for his patience and allowing me to finish my work.

It is my fortune to express my gratitude to my very special friend **Dr. Swati Gupta** for her motivation and enthusiastic co-operation at every stage of my research work.

I also want to say a word of acknowledgement to my beloved brother **Mr. Vikas Jain**, my sister **Mrs. Chhavi Jain**, my brother-in-law **Mr. Sachin Garg**, my sister-in-law **Mrs. Taruna Bansal** and my dear friends **Mrs. Shweta Saini, Mrs. Neetu Goyal, Dr. Priya Pathak and Ms. Girija** for their sincere encouragement, valuable help, guidance and inhibited cooperation towards successful completion of the research study.

My sincere thank goes to all the experts who provide their precious suggestions for drafting the tool for the study.

I am greatly thankful to all the Principal and Teachers who spent their precious time in filling the Performa. I would also thank Library staff of all the universities from where I have consulted the literature.

**Neha Jain**
