CHAPTER - 1 INTRODUCTION

Introduction
1.1 Rationale of the Study
   1.1.1 Post 1989 Global Context
   1.1.2 Post 1989 Indian Context
   1.1.3 Response of Sociology and Social Sciences to the post 1989 global and India context: Trends and Gaps.
   1.1.4 Relevance of the Study
1.2 Conceptual Clarification of three Concepts:
   Civil Society, Networking and Good Governance
1.3 Objectives, Research Questions and Scope
   1.3.1 Objectives
   1.3.2 Research Questions
   1.3.3 Scope
1.4 Synoptic View of Methods
1.5 Chapterization of the study

Conclusion

CHAPTER - 2 CIVIL SOCIETY IN INDIA

Introduction
2.1 Understanding Voluntary 'Sector': Contentious Issues
2.2 Historical Background
   2.2.1 Types of Civil Society
2.3 Voluntary Development Organizations (VDOs)
   2.3.1 VDOs as civil society organizations: relationship with the State and Market.
   2.3.2 Definition and Characteristics
   2.3.3 Roles and Functions
   2.3.4 Types
   2.3.5 Value Framework within which VDOs operate
   2.3.6 Legal framework within which VDOs operate
2.4 Trends and Patterns in the Voluntary Sector
   2.4.1 Difficulties and Challenges facing VDOs

Conclusion

CHAPTER - 3 CONCEPTUAL FRAMEWORK OF THE STUDY

Introduction
3.1 Civil Society
   3.1.1 Conceptual Debates
   3.1.2 Identification of Indicators
   3.1.3 Relationship of civil society with other concepts namely, Networking and Good Governance
3.2 Networking
   3.2.1 Conceptual Debates
   3.2.2 Identification of Indicators
   3.2.3 Relationship of Networking with other concepts namely, Civil Society and Good Governance.
3.3 Good Governance
3.3.1 Conceptual Debates
3.3.2 Identification of Indicators
3.3.3 Relationship of Good Governance with other concepts namely, Civil Society and Networking

Conclusion

CHAPTER - 4 THEORETICAL FRAMEWORK OF THE STUDY AND METHODS OF FIELDWORK

Introduction
4.1 Theory and Method Relationship
4.2 Theoretical Framework of the Study
4.3 Methods of Fieldwork
   4.3.1 Use of Qualitative and quantitative Methods
   4.3.2 Study Area: EVDO and HVDO
   4.3.3 Sample (Size of area and personnel)
   4.3.4 Methods used
4.4 Steps for Data Analysis
   4.4.1 Techniques and Procedure of Data Processing and Analysis
4.5 Methodological Problems faced during Research Inquiry

Conclusion

CHAPTER - 5 ENVIRONMENT VDO AND HEALTH VDO: CIVIL SOCIETY STRUCTURE, PROCESS AND DYNAMICS

Introduction
5.1 Findings
5.2 Two moderately successful and two successful examples from EVDO and HVDO

Conclusion

CHAPTER - 6 ENVIRONMENT VDO AND HEALTH VDO: NETWORKING STRUCTURE, PROCESS AND DYNAMICS

Introduction
6.1 Findings
6.2 Two moderately successful and two successful examples from EVDO and HVDO

Conclusion

CHAPTER - 7 ENVIRONMENT VDO AND HEALTH VDO: GOOD GOVERNANCE STRUCTURE, PROCESS AND DYNAMICS

Introduction
7.1 Findings
7.2 Two moderately successful and two successful examples from EVDO and HVDO

Conclusion

CHAPTER - 8 CONCLUSION

Introduction
8.1 Discussions
