List of Tables

1.1. Names and locations of sample villages 18
1.2. Distribution of samples under various target groups 20
1.3. Profile of sample villages in Karnal and Mahendragarh 22
4.1. Illiteracy rate in various age groups of adults in 1991 in India and its selected states and UTs 106
4.2. Illiteracy rate in various age groups of adults in 2001 in India and its selected states and UTs 109
4.3. Total Illiteracy Rates (1971-2001) in India 114
4.4. Percentage of adult illiterates of various age groups in India in 1981, 1991 and in 2001 117
4.5. Decrease in illiteracy rates (percentage points) among adult people of various age groups in India 120
4.6. Absolute figures of adult illiterates of various age groups 121
4.7. Change in absolute figures of adult illiterates of various age groups 122
4.8. Number of adult illiterates of 1991 and 2001 of NLM targeted age group 124
4.9. Number of adult illiterates of 1981 and 2001 of NLM targeted age group 125
4.10. Change in absolute figures of the adult illiterates of various age groups in India (1981-2001) 129
4.11. Exponential growth rates of adult illiterates in India 1991-’01 and 1981-’91 130
4.12. The male-female gap in total illiteracy rates during 1951-2001 131
4.14. Percentage of adult illiterates of various age groups among scheduled and among non-scheduled people 134
4.15. Rural-urban disparity in illiteracy rate in India (2001) 135
5.2. Illiteracy rate in various age groups of adults in 1991 and 2001 in Haryana and its districts 143
5.3. Percentage of illiterates in 1991 and 2001 (7 years and above) 148
5.4. Percentage point change in male and female illiteracy rates (7 years and above) in all ages in the Districts of Haryana from 1991 to 2001

5.5. Percentages of adult illiterates of various age groups in Haryana in 1981, 1991 and 2001

5.6. Decrease in percentage of illiteracy among adults of various age groups in last two decades

5.7. Illiteracy rates in various age groups of adults in Haryana and its districts in 1991 and 2001

5.8. Percentage of illiteracy in various age groups in 1991 and 2001

5.9. The number of illiterates in adult age groups in Haryana and its districts in 1991 and 2001

5.10. Number of adult illiterates of NLM targeted age group in 1991 and 2001

5.11. Gender disparity in illiteracy rate in Haryana and India in 2001

5.12. Gender disparity in illiteracy rate in rural and urban Haryana in 1991 and 2001

5.15: Percentage point change in adult illiterates in various age groups in rural and urban Haryana from 1991 to 2001

5.16. Percentage of adult illiterates of various age groups among SC and non-SC

5.17. Percentage of population going to literacy centres in India and Haryana, as per census 2001

6.1. Number of villages in different groups of illiteracy rates in Karnal and Mahendragarh in 1991 and 2001

6.2. Percentage of villages in different groups of illiteracy rates in Karnal and Mahendragarh in 1991 and 2001

6.3. Percentage of villages in different groups of illiteracy rates in tahsils of Karnal and Mahendragarh in 2001

6.4. Total illiteracy rate and illiteracy rates at various age groups of adults in sample households in sample villages
6.5. Proportion (in percentage) of adult male and female illiterates (15-35) to total adult illiterates (15-35) in sample villages 185
6.6. Percentage of adult illiterates of 15-35 age group to total adult illiterates (15+ years) in sample households 185
6.7. Illiteracy rate among males and females (above 6 years) and among adults (15-35 years) in sample households 187
6.8. Percentage of adult illiterates of 15-35 age group under various castes to total adult population (15-35) in various castes in sample households 190
6.9. Percentage of adult illiterates of 15-35 age group, having no literate in household under various castes to total adult illiterates (15-35) in various castes in sample households 190
6.10. Percentage of adult illiterates of 15-35 age group under various land possession classes to total adult population (15-35) in various land possession classes in sample households 193
6.11. Percentage of respondents of various castes (to total respondents in those castes) having different land possession in sample villages of Karnal 194
6.12. Percentage of adult illiterates of 15-35 age group, having no literate in household, under various land possession types to total adult illiterates (15-35) in various land possession types in sample households 195
6.13. Percentage of male, female and total adult illiterates of 15-35 age group under various household types to total adult population (15-35) in various household types in sample households 196
6.14. Percentage of respondents of various castes (to total respondents in those castes) having different household types in sample villages of Karnal 197
6.15. Percentage of adult illiterates of 15-35 age group having no literate member in household, under various household types to total adult illiterates (15-35) in various household types in sample households 199
6.16. Percentage of adult illiterates (15-35), never attended AEC to total adult illiterates in villages of Karnal and Mahendragarh 202
6.17. Proportion (per cent) of illiterates, never attended AEC in sample villages in Karnal according to castes 203
6.18. Percentage of adult illiterates (15-35), attended AEC to total adult illiterates in villages of Karnal

6.19. Proportion (per cent) of male and female among all illiterates, ever attended AEC to total illiterates ever attended AEC in sample villages of Karnal

6.20. Age group wise distribution of illiterates ever attended AEC in sample villages in Karnal

6.21. Percentage of male, female and total adult illiterates of 15-35 age group under various castes, ever attended AEC to total adult illiterate population (15-35) in various castes in sample households

6.22. Proportion (per cent) of illiterates ever attended AEC in sample villages in Karnal according to castes

6.23. Percentage of male, female and total adult illiterates of 15-35 age group under various castes, ever attended AEC to total adult illiterate population (15-35) in various land possession classes in sample households

6.24. Proportion (per cent) of illiterates ever attended AEC in sample villages in Karnal from various classes of land possession

6.25. Percentage of male, female and total adult illiterates under various household types, ever attended AEC to total adult illiterate population in various household types in sample villages

6.26. Proportion (per cent) of illiterates ever attended AEC in sample villages in Karnal in various household types

6.27. Percentage of drop out to total illiterates ever attended AEC

6.28. Amenities available in sample villages (as per 2001 census)

6.29. Percentage of adult male and female illiterates in Group I and Group II villages

6.30. Percentage of adult illiterates of 15-35 age group under various castes to total adult population (15-35) in various castes in sample households

6.31. Percentage of adult illiterates, having no literate member in household, of 15-35 age group under various castes to total adult illiterates (15-35) in various castes in sample households of sample villages
6.32. Percentage of male, female and total adult illiterates of 15-35 age group under various castes, ever attended AEC to total adult illiterate population (15-35) in various castes in sample households 222

6.33. Percentage of adult illiterates of 15-35 age group under various land possession Groups to total adult population (15-35) in various land possession Groups in sample households 222

6.34. Percentage of male, female and total adult illiterates of 15-35 age group under various household types to total adult population (15-35) in various household types in sample households 223

6.35. Percentage of male, female and total adult illiterates of 15-35 age group, ever attended AEC to total adult illiterate population (15-35) in various land possession classes in sample households of Group I and Group II villages 224

6.36. Percentage of male, female and total adult illiterates under various household types, ever attended AEC to total adult illiterate population in various household types in sample villages 225

7.1. Total Literacy Campaign – March 2002- in Haryana 245

7.2. Progress made during the period April 2001 – March 2002 in the TLC phase 246

7.3. Progress made during the period April 2001 – March 2002 in the PLP phase 247

7.4. Target, effective enrolment and achievement in TLC in Karnal district 251

7.5. Percentage distribution of volunteers by age group 264

7.6. Percentage of drop out to total illiterates ever attended AEC 265

7.7. Percentage of volunteers of various castes to total volunteers in Group I and Group II villages 266
