ACKNOWLEDGEMENTS

Firstly, I would like to express my thanks and gratitude to Gauhati University for giving me the opportunity to pursue this research work.

I am heartily thankful to my research Guide and Supervisor, Dr. Kalyan Mukherjee for his constant and continuous patient guidance and support. He is a friend, philosopher, guide and above all a mentor to me by his unparallel encouragement and help to grow and go ahead of this research work. Dr Kalyan Mukherjee sets an example as an academician and mentor that I can only aspire to follow.

I am thankful to the Dean and Head of the Dept. of Commerce Dr. Bhashkarjyoti Bora, who has always helped and encouraged me.

I am especially thankful to my professors in Gauhati University Dr. Nayan Barua, Dr. Sujit Sikidar, Dr. Hem Chandra Gautam, Dr. P.L Hazarika, Dr. Aparajita Borkakoty, Dr. S.K. Mahapatra and Dr. Prasanta Sarma besides others. I am really grateful and remain indebted to Professor Amrit Paul Singh for his regular suggestion and guidance.

I am indeed thankful to the Principal Dr. B.K Bhatt and my colleagues Dr. H.P Goenka, Mr. T.C Kalita, L. Patgiri, A. Gautam and Mahesh Sharma in the department for their support and encouragement.

I express my sincere gratitude to principals and young teacher friends and students of all those colleges where from the students selflessly participated in my field survey for primary data collection.

Next, I am thankful to young Asstt Professors namely Nazima Begum, Tahera Rehman, and A. Samad for helping me in organizing and data entry. Prof. Ramesh Sharma and Sabina deserve special thanks for their help and cooperation. I am thankful to Mr. T. Khan, Abdullah Choudhury, and Dilwar for helping me in data compiling, organizing, and analysis.

At last I want to thank my wife Jahanara, daughter Nupur and son Rahee for extending support during my research work.
