Acknowledgement

Period of research for this thesis for me was like an expedition to the unknown. It was thrilling and exiting, but sometimes depressing and agonizing. Words alone cannot express my indebtedness to everyone who at some point or the other have helped me to overcome my difficulties.

However, at the outset, I owe my indebtedness to my supervisor Dr. Chintamani Mahapatra for his benign and magnanimous guidance to give the thesis the shape of what it is today. My study would have not been possible without the unstinting and unflinching support of my mentor. He has genuinely helped me in achieving this arduous task, so my special thanks are due to him. I am very much thankful for his persistent counsel, and attention and care he bestowed to my work.

During my work, I have committed many inexcusable mistakes, which I always am penitent for, but he overlooked and encouraged me and paved way for my success. With this he also acted as my father and made my work and stay at JNU rewarding.

My profound thank are also due to Prof. C.S. Raj, Dr. K.P. Vijayalaxmi and Prof. Abdul Nafey for their constant encouragement. I am also thankful to CCUS&LAS Staff especially Neelam madam and Rajbeer.

I extend my gratitude to the library staff of Jawaharlal Nehru University (JNU), American Center Library and IDSA Library for their valuable cooperation.

My thanks are due to loved once who were always and around me are Sadhna, Nivedita Mishra, Deepak Rawat, Amrit Tripathi, Himanshu, Khurshed Iqbal, C. B. Tamta, Nitin Srivastava, and Sartaj, Kishor Shehrawat, though some names are missing they are not missing from my heart.

Finally, I take the opportunity to convey my heartfelt gratitude to my Mummy (Gyaneshwari Devi) and Papa (C. Lal), Uncles-Aunts, Brothers (Suraj, Babloo, Chhota Bhaiya, Sher Singh, Deepak, Lala, Pappu etc.) and Sisters, my brother-in-law (Virendra Verma and D.P. Lohiya), and my loving niece Divyanshi and Aman for being constant source of motivation and help in pursuing my task.

Last but not least, I would like to declare that, I will be solely responsible for any kind of mistakes in the thesis.
