ACKNOWLEDGEMENT

Offer all thy works to God, throw off selfish bonds, and do thy work.
No sin can then stain thee, even as waters do not stain the leaf of the lotus

- Bhagavat Gita

This work would not have been possible unless He shower His abundant blessings. I humbly place my profound gratitude to GOD ALMIGHTY for everything he has done to me.

I extend my sincere thanks to Thiru T.K. SHANMUGANANDAM, Chancellor, Avinashilingam University for Women, Coimbatore, for all the good wishes and help rendered towards the successful completion of the study.

I place on record my heartfelt thanks to Hon. Colonel. Dr. SAROJA PRABHAKARAN, Vice Chancellor, Avinashilingam University for Women, Coimbatore, for the support and encouragement given during the time of study.

I express my sincere thanks to Dr. GOWRI RAMAKRISHNAN, Registrar, Avinashilingam University for Women, Coimbatore, for extending all possible support for the successful completion of the study.

I wish to express my profound gratitude to Dr. R. PARVATHAM, Dean, Faculty of Science, Professor and Head, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam University for Women, Coimbatore, for her constant support and encouragement during the period of study.

Any attempt at any level cannot be satisfactorily completed without the support and guidance of learned people. I would like to express my immense gratitude to my guide Dr. P. R. PADMA, Associate Professor,
Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam University for Women, Coimbatore, for the opulent guidance rendered at every stage of the dissertation. She showed me different ways to approach a research problem and the need to be persistent to accomplish any goal. Without her dynamic guidance, valuable suggestions, untiring help, meticulous efforts and enduring support, this study would never have seen the light of the day.

I express my sincere thanks to all my TEACHERS and COLLEAGUES of the Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam University for Women, for their timely help and valuable suggestions rendered during the period of the study.

I am indebted to all my FRIENDS and RESEARCH GROUP MEMBERS for their selfless help, emotional support and constructive suggestions during various stages of my study.

I am grateful to Ms. P. R. LAKSHMI of Webnet, Media of Computers, for her untiring help in editing the final draft of the dissertation.

I owe my deepest gratitude to my MOTHER, FATHER, BROTHER, HUSBAND, daughter SINDANIK A and all my family members for their loving patience, unconditional support and encouragement to pursue my interests, even when the interests went beyond boundaries of language.

My thanks to everybody who has been a part of my life but I failed to mention; thank you all very much.
