ACKNOWLEDGEMENTS

In the name of Allah, The Compassionate, The Merciful

It is my pleasure to express my thanks to my supervisor Prof. Dr. Tanuja Nesari, who was a pillar of support during this entire ordeal. I would always be indebted to her for extremely helpful suggestions and personal involvement throughout the research work. I can strongly say that without her stellar guidance and scientific brilliance, this thesis work wouldn’t have been completed.

I am sincerely grateful to honorable Prof. V.V. Doiphode (Dean, Faculty of Ayurved) who is the main motivating force behind my PhD study; and Prof. S. N. Parchure, President of T.A.M.V.'S. Centre for Post Graduate Studies and Research in Ayurveda, who was kind enough to grant me the requisite permission for admission in the Ph.D. course and always encouraged me in the research. I am also grateful to Prof. R.N. Gangal, Principal Tilak Ayurved Mahavidyalaya, Prof. D.P. Puranik, Director and Prof. V.A. Dole, Joint Director T.A.M.V.'S. Centre for Post Graduate Studies and Research in Ayurveda for their support in the studies.

It is my pleasure to express my respectful thanks to all respected Professors, Readers, Lecturers, all the members of the non-teaching staff of the Tilak Ayurved Mahavidyalaya, for sympathy and moral support.

I would like to acknowledge teachers in the Department of Dravyagun, Dr. Apoorva Sangoram, Dr. Asmita Jadhav and Dr. Jyoti Shirodkar for their encouragement and moral support; and P.G. scholars Payal Sethi and Bhakti Mokashi for their support in the literary work. I am very much thankful to the librarian of the college for providing necessary literature.

My special thanks are due to Dr. Shalini Sarwade, my Ph.D. colleague at the Institute, for her keen interest in my research work and giving her time in the literary task. I am also thankful to Dr. Manasi Deshpande of Bhartiya Vidyapeeth, Pune for helping me in reference work of Ayurvedic literature.

I am thankful to my colleagues Dr. Mohd. Tarique Ahsan, Dr. Asif Iqbal and my P.G. student and my colleague Dr. Shagufta Parveen, and Dr. Noor Patel, Dr. Munawwar Husain, Dr. Masroor Ali Qureshi and Dr. Ismail Zabihullah, P.G. scholars of our Department for their co-operation and moral support in all research activities.

My sincere thanks are due to all those authors, whose literature’s references or methodology have been cited or adopted in the Thesis.

Last but not least I thank my all family members who have long tolerated on many issues whenever I was busy in my research work and they have done prayers to see my Ph.D. Degree come true.
